[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Carry more ammunition "at the ready": Professional operators who are unwilling to sacrifice quality, performance, and durability, will find Mesa Tactical's polymer shotshell carriers to be an especially attractive and economical alternative to the low-cost consumer grade plastic shell holders offered by competitors. SureShell® Polymer Shotshell Carriers are made from durable, impact resistant polymer. This shotshell carrier system, available in a six shell configuration, features shell holders injection molded from glass filled polymer, secured to the receiver by a lightweight aluminum back plate with brass threaded inserts. The SureShell Polymer Carrier also includes an innovative dual rubber friction system that reliably holds shotshells in place. Some SureShell carriers include high temperature adhesive backed, die-cut rubber gaskets to protect the host shotgun's finish. The Sureshell receiver mounting system for Remington 870, 1100 and 11-87 shotguns uses a combination of steel fasteners threaded into a steel pin (at the rear) and paired Chicago screws (up front) for more secure attachment to the shotgun without the risk of pinching the receiver. The mounting plate even features a window over the shotgun serial number location, to make it easier for armorers to inventory their weapons. Models are available with and without integral Picatinny rails for mounting optics. Like all SureShell carriers, the new polymer SureShell shotshell carriers work well in all climates and environments, and are designed to withstand the daily use and abuse to which arsenal weapons are commonly subjected. This system securely holds shells in place until needed at which time they are readily accessible and easily removed for rapid reloading.

## **Attributes**

- Name: [MESA TACTICAL PRODUCTS SUREHELL POLYMER CARRIER MOSSBERG 930 12GA 6RD](#)
- Manufacturer: [MESA TACTICAL PRODUCTS](#)
- Product no.: 100019755
- Mfr. No.: 94760
- Caliber: 12 Gauge
- Capacity: 6-Round
- Style: Side Mount
- Delivery weight: 0.181kg
- Shipping height: 38mm
- Shipping width: 84mm
- Shipping length: 310mm
- UPC: 878405004288

# SURESHELL POLYMER SHOTSHELL CARRIER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SureShell Polymer Shotshell Carrier by Mesa Tactical Products. This guide provides important safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific shotgun model before installation.
- Always handle ammunition and firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the shotshell carrier for signs of wear or damage before each use.
- In case of any malfunction or damage, cease use immediately and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Only use the SureShell Polymer Shotshell Carrier with compatible shotguns as specified in the product specifications.
- Do not exceed the recommended capacity of the shotshell carrier.
- Ensure that the shotshells are securely held in place before handling the shotgun.
- Avoid exposing the shotshell carrier to extreme temperatures or harsh chemicals that may compromise its integrity.
- Always follow the manufacturer's instructions for loading and unloading ammunition.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Gather all necessary tools, including the provided mounting hardware.
- Ensure your shotgun is unloaded and pointed in a safe direction.

#### 2. Mounting the Carrier

- Identify the appropriate location on the shotgun receiver for mounting the carrier.
- Align the shotshell carrier with the mounting plate and mark the drilling points if necessary.
- If required, drill holes for the mounting hardware according to the specifications of your shotgun model.

#### 3. Securing the Carrier

- Use the provided steel fasteners to secure the shotshell carrier to the shotgun receiver.
- Ensure that all fasteners are tightened properly to prevent movement during use.

#### 4. Final Checks

- Inspect the installation to ensure that the carrier is securely attached and that there is no risk of pinching the receiver.
- Test the carrier by gently pulling on it to confirm stability.

## Usage Instructions

- Load the shotshells into the carrier by inserting them into the holders, ensuring they are seated properly.
- To remove shotshells, grasp the carrier securely and pull the shotshells out as needed for rapid reloading.
- Always maintain control of the shotgun and ensure that the muzzle is pointed in a safe direction while reloading.

## Disposal Instructions

- Dispose of the product responsibly at the end of its life cycle.
- Follow local regulations regarding the disposal of plastic and metal components.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your SureShell Polymer Shotshell Carrier. Thank you for your attention to safety!
