

SURESHELL POLYMER SHOTSHELL CARRIER - MESA TACTICAL PRODUCTS SURESHELL POLYMER CARRIER & RAIL BEN SUPERNOVA 12GA 6RD

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Carry more ammunition “at the ready”: Professional operators who are unwilling to sacrifice quality, performance, and durability, will find Mesa Tactical’s polymer shotshell carriers to be an especially attractive and economical alternative to the low-cost consumer grade plastic shell holders offered by competitors. SureShell® Polymer Shotshell Carriers are made from durable, impact resistant polymer. This shotshell carrier system, available in a six shell configuration, features shell holders injection molded from glass filled polymer, secured to the receiver by a lightweight aluminum back plate with brass threaded inserts. The SureShell Polymer Carrier also includes an innovative dual rubber friction system that reliably holds shotshells in place. Some SureShell carriers include high temperature adhesive backed, die-cut rubber gaskets to protect the host shotgun’s finish. The Sureshell receiver mounting system for Remington 870, 1100 and 11-87 shotguns uses a combination of steel fasteners threaded into a steel pin (at the rear) and paired Chicago screws (up front) for more secure attachment to the shotgun without the risk of pinching the receiver. The mounting plate even features a window over the shotgun serial number location, to make it easier for armorers to inventory their weapons. Models are available with and without integral Picatinny rails for mounting optics. Like all SureShell carriers, the new polymer SureShell shotshell carriers work well in all climates and environments, and are designed to withstand the daily use and abuse to which arsenal weapons are commonly subjected. This system securely holds shells in place until needed at which time they are readily accessible and easily removed for rapid reloading.

Attributes

- Name: [MESA TACTICAL PRODUCTS SURESHELL POLYMER CARRIER & RAIL BEN SUPERNOVA 12GA 6RD](#)
- Manufacturer: [MESA TACTICAL PRODUCTS](#)
- Product no.: 100019759

SURESHELL POLYMER SHOTSHELL CARRIER

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SureShell Polymer Shotshell Carrier by Mesa Tactical Products. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your shotshell carrier. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the shotshell carrier is compatible with your shotgun model before installation.
- Always handle firearms and ammunition with care and respect. Follow all applicable laws and regulations.
- Keep the shotshell carrier and shotgun out of reach of children and unauthorized users.
- Inspect the shotshell carrier regularly for signs of wear or damage. Do not use if damaged.
- Store ammunition and firearms securely to prevent accidents.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the carrier is designed for your specific shotgun model (e.g., Remington 870, 1100, 1187, Mossberg 500/590, Benelli M1/M2/M3, Supernova).
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to malfunction or injury.
- **Loading:** Only load the shotshells into the carrier when ready to use. Do not overload the carrier beyond its specified capacity (6 rounds).
- **Environment:** Avoid using the shotshell carrier in extreme temperatures or conditions that may affect its performance.
- **Maintenance:** Clean the carrier regularly to ensure optimal performance. Use a soft cloth and mild detergent. Avoid abrasive cleaners.

Instructions for Installation and Usage

1. Installation:

- Verify that all components are included: shotshell carrier, mounting hardware, rubber gasket, and installation instructions.
- Select the appropriate mounting location on your shotgun.
- Use the provided hardware to secure the carrier to the shotgun receiver. Ensure a tight fit to prevent movement during use.
- If applicable, install the rubber gasket to protect the shotgun's finish.
- Check that the carrier is securely attached and that the mounting plate does not obstruct the shotgun's serial number.

2. Usage:

- Load the shotshells into the carrier by inserting them into the holders until they click into place.
- To remove shotshells, pull them out gently. Ensure that your finger is not on the trigger during this process.
- After use, unload the carrier and store it in a safe location.

Disposal Instructions

- Dispose of the shotshell carrier in accordance with local regulations.
- If the carrier is damaged or no longer usable, recycle it if possible. Check for local recycling options for plastics and metals.

Contact Information for Further Support

For any inquiries or support regarding the SureShell Polymer Shotshell Carrier, please refer to the manufacturer's contact information provided with your product. Ensure to have your product details ready for efficient assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your SureShell Polymer Shotshell Carrier. Always prioritize safety and responsible handling of firearms and ammunition. Thank you for choosing Mesa Tactical Products.
