[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Carry more ammunition “at the ready”: Professional operators who are unwilling to sacrifice quality, performance, and durability, will find Mesa Tactical’s polymer shotshell carriers to be an especially attractive and economical alternative to the low-cost consumer grade plastic shell holders offered by competitors. SureShell® Polymer Shotshell Carriers are made from durable, impact resistant polymer. This shotshell carrier system, available in a six shell configuration, features shell holders injection molded from glass filled polymer, secured to the receiver by a lightweight aluminum back plate with brass threaded inserts. The SureShell Polymer Carrier also includes an innovative dual rubber friction system that reliably holds shotshells in place. Some SureShell carriers include high temperature adhesive backed, die-cut rubber gaskets to protect the host shotgun’s finish. The Sureshell receiver mounting system for Remington 870, 1100 and 11-87 shotguns uses a combination of steel fasteners threaded into a steel pin (at the rear) and paired Chicago screws (up front) for more secure attachment to the shotgun without the risk of pinching the receiver. The mounting plate even features a window over the shotgun serial number location, to make it easier for armorers to inventory their weapons. Models are available with and without integral Picatinny rails for mounting optics. Like all SureShell carriers, the new polymer SureShell shotshell carriers work well in all climates and environments, and are designed to withstand the daily use and abuse to which arsenal weapons are commonly subjected. This system securely holds shells in place until needed at which time they are readily accessible and easily removed for rapid reloading.

## Attributes

- Name: [MESA TACTICAL PRODUCTS SURESHELL POLYMER CARRIER & RAIL BENELLI M4 12GA 6RD](#)
- Manufacturer: [MESA TACTICAL PRODUCTS](#)
- Product no.: 100019760
- Mfr. No.: 94930
- Caliber: 12 Gauge
- Capacity: 6-Round
- Style: Side Mount
- Delivery weight: 0.204kg
- Shipping height: 38mm
- Shipping width: 84mm
- Shipping length: 310mm
- UPC: 878405004479

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the SureShell Polymer Shotshell Carrier by Mesa Tactical Products. This product is designed to securely hold your ammunition while ensuring ease of access during use. To ensure your safety and the effective functioning of this product, please read and follow the safety instructions provided in this guide.

### General Safety Guidelines

- Always handle firearms and ammunition with care and responsibility.
- Ensure that the SureShell Polymer Shotshell Carrier is compatible with your shotgun model before installation.
- Regularly inspect the carrier for any signs of wear or damage.
- Keep the carrier and ammunition out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

### Specific Safety Precautions for Use

- Do not overload the carrier beyond its designed capacity.
- Ensure that shotshells are properly seated in the carrier before use.
- Avoid exposing the carrier to extreme temperatures or chemicals that may degrade the polymer material.
- Use only the recommended types of shotshells as specified by the manufacturer.
- If using in wet conditions, ensure that the carrier is dried thoroughly to prevent moisture-related damage.

### Instructions for Installation and Usage

#### Installation Instructions

1. **Gather Required Tools:** You will need a screwdriver and any additional tools specified in the installation instructions provided with the product.
2. **Identify Mounting Location:** Determine the best location on your shotgun for installing the SureShell carrier. Ensure it does not obstruct any operational controls.
3. **Attach the Back Plate:**
  - Align the lightweight aluminum back plate with the receiver of your shotgun.
  - Use the provided steel fasteners to secure the back plate. Ensure the fasteners are tightened but do not overtighten to avoid damaging the shotgun.
4. **Insert Shell Holders:**
  - Place the injectionmolded shell holders into the back plate.
  - Ensure they are securely fastened and properly aligned.
5. **Final Check:** Inspect the installation to ensure everything is securely attached and there are no loose components.

#### Usage Instructions

- Load shotshells into the carrier by inserting them into the holders with the open end facing outwards.
- To access a shotshell, simply pull it out from the carrier when needed.
- After use, ensure that the carrier is emptied and inspected for any wear or damage.

## **Disposal Instructions**

- Dispose of the SureShell Polymer Shotshell Carrier in accordance with local regulations regarding plastic materials.
- If the carrier is damaged and cannot be reused, consider recycling the polymer material where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the SureShell Polymer Shotshell Carrier, please refer to the manufacturer's support resources.

Thank you for your attention to these safety instructions. Proper use and care of your SureShell Polymer Shotshell Carrier will enhance your shooting experience while ensuring safety and reliability.
