

# AR-15 TAKEDOWN PINS TITANIUM - 2A ARMAMENT AR-15 TAKEDOWN PINS TITANIUM

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

The 2A Armament™ Titanium takedown pin set features a through drilled design for maximum weight savings in a standard .250 pin size. The head of each pin also incorporates a pocketed feature to reduce weight. Each pin is machined with a single operation on our 8-Axis CNC Machines for true concentricity, and consistency. Using certified U.S.A. 6AL-4V Titanium these pins weigh in at 0.18 oz total for both pins combined. The 2A Armament titanium takedown pins are aesthetically pleasing on both our BALIOS-lite receiver sets, as well as other vendors product.

## Attributes

- Name: [2A ARMAMENT AR-15 TAKEDOWN PINS TITANIUM](#)
- Manufacturer: [2A ARMAMENT](#)
- Product no.: 100019801

# Safety Instruction Guide for AR15 Takedown Pins Titanium

## Introduction

Thank you for choosing the 2A Armament™ Titanium Takedown Pins for your AR15. These pins are designed for maximum performance and weight savings. This guide provides essential safety instructions to ensure the safe use and installation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the pins for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the titanium takedown pins with compatible AR15 receiver sets.
- Avoid exposing the pins to extreme temperatures or corrosive substances.
- Do not modify the pins or attempt to use them in a manner not specified by the manufacturer.
- Wear appropriate personal protective equipment (PPE) when handling and installing the pins.
- If you experience any difficulty during installation, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your workspace is clean and free from debris.
- Gather all necessary tools, including a punch tool for installation.

### 2. Installation

- Align the takedown pins with the receiver holes.
- Use the punch tool to gently tap the pins into place, ensuring they are seated securely.
- Verify that the pins are fully inserted and can pivot freely.

### 3. PostInstallation Check

- Inspect the installation to ensure that the pins are correctly positioned and operate smoothly.
- Perform a function check to confirm that the firearm operates correctly with the new pins.

### 4. Usage

- Use the takedown pins as needed for disassembly and reassembly of your AR15.
- Always ensure the firearm is unloaded before performing any disassembly.

## Disposal Instructions

- Dispose of any defective or damaged pins in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or support regarding the AR15 Takedown Pins Titanium, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective experience with your 2A Armament™ Titanium Takedown Pins. Thank you for prioritizing safety!
