

308AR TAKEDOWN PINS TITANIUM - 2A ARMAMENT 308 AR TAKEDOWN PINS TITANIUM

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

The 2A Armament™ LR-308/SR-25 Titanium takedown pin set features a through drilled design for maximum weight savings in an LR-308/SR-25 pin size. Using certified U.S.A. 6AL-4V Titanium these pins weigh in at 0.25 oz total for both pins combined. The 2A Armament titanium takedown pins are aesthetically pleasing on both our Xanthos receiver sets, as well as other vendors product.

308AR Takedown Pins Titanium Consumer Safety Instruction Guide

Introduction

Thank you for choosing the 2A Armament™ LR308/SR25 Titanium Takedown Pins. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as stated in the product specifications.
- Always inspect the takedown pins for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Handle the titanium takedown pins with care to avoid injury.
- Do not modify or alter the pins in any way, as this may compromise their safety and performance.
- Ensure that the pins are compatible with your specific firearm model before installation.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool for installation, if needed.

2. Installation:

- Align the takedown pin holes on your receiver.
- Insert the first takedown pin into the hole, ensuring it is fully seated.
- Repeat the process for the second takedown pin.
- Doublecheck that both pins are securely in place before proceeding.

3. Usage:

- To remove the takedown pins, push them out using a punch tool or similar device.
- Store the takedown pins in a safe place when not in use.

Disposal Instructions

- Dispose of any damaged or wornout takedown pins in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options for titanium materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided on the packaging or official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
