

# GRIP PLUG/TAKEDOWN TOOL FOR GLOCK® - TANGODOWN VICKERS TACTICAL GRIP PLUG/TAKEDOWN TOOL, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

The Vickers Tactical™ GGT01 offers some unique features for the Glock®. A stainless steel takedown tool is conveniently stowed in the pistol grip cavity. This enables the shooter to field strip the weapon for proper cleaning and maintenance. The unique shape of the tool acts as a 'ramp' and index point for rapid, accurate magazine insertion. The GGT01 seals off the grip cavity preventing dirt, sand, and mud from entering the trigger control components that could possibly disable the weapon. 300-series stainless steel tool is overmolded into a glass-filled nylon handle for years of rugged use. Fits Gen3 models only.

# **Safety Instruction Guide for GRIP PLUG/TAKEDOWN TOOL FOR GLOCK® TANGODOWN VICKERS TACTICAL GRIP PLUG/TAKEDOWN TOOL, BLACK**

## **Introduction**

Thank you for choosing the Vickers Tactical GGT01 Grip Plug/Takedown Tool for your Glock®. This product is designed to enhance your shooting experience by providing a convenient takedown tool and grip plug. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before installing or using this product.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the Grip Plug/Takedown Tool for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

### **• Potential Hazards:**

- Risk of accidental discharge if the firearm is not handled properly.
- Risk of injury from improper usage of the takedown tool.

### **• Avoiding Hazards:**

- Always ensure the firearm is pointed in a safe direction when using the takedown tool.
- Do not use excessive force when inserting or removing the takedown tool.
- Ensure that the grip cavity is clean and free from obstructions before installation.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the Glock® is unloaded and pointed in a safe direction.
- Locate the grip cavity of your Glock®.
- Insert the Vickers Tactical Grip Plug/Takedown Tool into the grip cavity until it is fully seated.
- Ensure that the tool is securely in place and does not move when the grip is squeezed.

### **2. Usage:**

- To use the takedown tool, remove it from the grip cavity.
- Follow the manufacturer's instructions for field stripping your Glock® for cleaning and maintenance.
- Use the unique shape of the tool to assist in magazine insertion, ensuring rapid and accurate loading.

## **Disposal Instructions**

- Dispose of the Grip Plug/Takedown Tool responsibly.
- Do not dispose of this product in household waste.
- Check local regulations for proper disposal methods for plastic and metal products.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding the Vickers Tactical Grip Plug/Takedown Tool, please refer to the manufacturer's official website or customer service channels.

By following these guidelines, you can ensure a safe and effective experience with your Vickers Tactical Grip Plug/Takedown Tool for Glock®. Thank you for prioritizing safety in your shooting activities.
