

BLACK GRIP TAPE - HEXMAG GRIP TAPE BLACK

[Shooting Accessories](#) > [Gloves & Grip Accessories](#) > [Grip Enhancers](#)

Hexmag Grip Tape Hexmag Grip Tape allows you to customize your Hexmag as well as provide additional grip. One sheet (46 hex shapes) is enough to cover both sides of one Hexmag magazine if you fill every hex shape of the magazine. One sheet is enough to cover both sides of 2 Hexmag magazines if you fill 50% of the hex shapes of the magazine. The Grip Tape is die-cut into the exact shape to fill the hex-shaped cavities of the Hexmag magazine.

Safety Instruction Guide for BLACK GRIP TAPE HEXMAG GRIP TAPE BLACK

Introduction

Thank you for choosing the Hexmag Grip Tape. This product allows you to enhance the grip on your Hexmag magazines while providing a customizable appearance. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not apply the grip tape to surfaces that are wet, oily, or dirty.
- Avoid using the grip tape in extreme temperatures or direct sunlight for prolonged periods.
- Ensure that the surface to which the tape is applied is clean and dry before installation.
- If skin irritation occurs during use, discontinue use immediately and consult a healthcare professional.
- Do not modify the grip tape or use it in any unintended manner.

Instructions for Installation and Usage

1. Preparation

- Clean the surface of the Hexmag magazine thoroughly to remove any dust, oil, or moisture.
- Ensure the environment is dry and at room temperature.

2. Application

- Remove the backing from one piece of the grip tape.
- Carefully align the grip tape with the hexshaped cavities on the magazine.
- Press down firmly to ensure proper adhesion. Repeat this step for all desired hex shapes.

3. Finishing Up

- After applying the grip tape, check for any bubbles or wrinkles. If present, gently lift the tape and reapply to ensure a smooth finish.
- Allow the grip tape to set for at least 24 hours before using the magazine to ensure optimal adhesion.

4. Usage

- Use the Hexmag magazine as you normally would, enjoying the enhanced grip provided by the tape.
- Regularly inspect the grip tape for wear and replace it as necessary.

Disposal Instructions

- Dispose of any unused or damaged grip tape in accordance with local waste disposal regulations.
- Do not incinerate the grip tape, as it may release harmful substances when burned.

Contact Information for Further Support

For any inquiries or concerns regarding the Hexmag Grip Tape, please refer to the manufacturer's contact details provided on the packaging or the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Hexmag Grip Tape. Thank you for your attention to these guidelines.
