

REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS - MAGPUL HUNTER 700 STOCK W/X2 MAGS & BOTTOM METAL FOR REM 700 SA BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ultimate set to spice up your Remington 700! Being paired together is the Magpul Remington Hunter 700 stock, the Magpul Remington Hunter 700 magazine well, and two 10-round Magpul Remington 700 PMAG 7.62 AC AICS short action magazines! Available in Black, Flat Dark Earth, Gray or OD Green stock options. Made from reinforced polymer and a machine finished, anodized A380 cast aluminum bedding block, the Magpul Remington 700 Hunter Stock offers users a fully adjustable length of pull, comb height, and enhanced ergonomics. Compatible with all Remington 700 Short Actions, this stock requires no bedding and is a true "drop-in" solution for the end user. This stock is also M-LOK compatible to accept a broad range of accessories. Also available separately is the Bolt Action Magazine Well, which allows the rifle to be used with detachable box magazines without the need for custom inletting. The Magpul Bolt Action Magazine Well is a drop-in solution for our Remington 700 Hunter Stock for those that are wishing to add detachable box magazine capabilities to their rifle. By simply removing your OEM bottom metal and the insert on the Hunter 700 Stock, users can add this reinforced polymer trigger guard and magazine well to their rifle without the need for custom inletting from gunsmiths. Designed to work with AICS pattern, short action magazines. This kit also includes the Magpul PMAG 5 AC. The PMAG 10 7.62 AC is a reliable and durable polymer magazine compatible with AICS-spec bottom metal and short action cartridges built on a 0.470" case head. With double the capacity of our standard 5-rounder, the PMAG 10 7.62 AC is ideal for competition or combat use. Built using M3 technology, this magazine is advanced in both material and manufacturing processes, and we've given it more features to make it one of the most advanced, reliable bolt action magazines on the market.

REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS. This product is designed to enhance your Remington 700 rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important safety guidelines, precautions, and instructions for installation and usage.

General Safety Guidelines

- Always handle firearms and firearm accessories with care. Treat every firearm as if it is loaded.
- Ensure that the product is compatible with your specific model of Remington 700 before installation.
- Keep firearms and accessories out of reach of children and unauthorized users.
- Regularly inspect the stock and accessories for wear or damage. Do not use if any parts are broken or malfunctioning.
- Always follow local laws and regulations regarding firearms and firearm accessories.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before making any adjustments or modifications.
- When using the Magpul Remington Hunter 700 stock, ensure that it is properly secured to the rifle.
- Be mindful of the magazine capacity and ensure that you do not exceed the legal limits for your area.
- Use only approved and compatible magazines with the stock and magazine well.
- If you are unsure about any aspect of the installation or usage, consult a qualified gunsmith.

Instructions for Installation and Usage

Installation of the Magpul Remington Hunter 700 Stock

1. **Prepare Your Tools:** Gather the necessary tools for installation, including a screwdriver and any other required tools.
2. **Unload the Rifle:** Ensure that your Remington 700 is completely unloaded.
3. **Remove the Existing Stock:**
 - Use a screwdriver to remove the screws securing the existing stock to the action.
 - Carefully detach the stock from the action.
4. **Install the Magpul Remington Hunter 700 Stock:**
 - Align the action with the new stock.
 - Secure the stock to the action using the screws provided.
 - Ensure that all screws are tightened to the manufacturer's specifications.
5. **Install the Magazine Well** (if applicable):
 - Remove the OEM bottom metal as per the manufacturer's instructions.
 - Insert the Magpul Bolt Action Magazine Well into the designated area.
 - Secure it according to the provided instructions.
6. **Attach Magazines:**
 - Insert the compatible Magpul PMAG 7.62 AC magazines into the magazine well.
 - Ensure that the magazines click into place securely.

Usage Instructions

- Adjust the length of pull and comb height according to your preferences for optimal comfort and control.
- Regularly check the stock and magazine well for any signs of wear or damage.
- Practice safe shooting habits and always follow standard firearm safety rules.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites for firearms accessories.

Contact Information for Further Support

For safety inquiries or further assistance, please contact your local retailer or authorized dealer. Ensure you have the product information and any relevant details ready to assist with your inquiry.

By following these safety instructions, you can ensure a safe and enjoyable experience with your REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS. Thank you for your attention to safety.
