

REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS - MAGPUL HUNTER 700 STOCK W/X2 MAGS & BOTTOM METAL FOR REM 700 SA FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ultimate set to spice up your Remington 700! Being paired together is the Magpul Remington Hunter 700 stock, the Magpul Remington Hunter 700 magazine well, and two 10-round Magpul Remington 700 PMAG 7.62 AC AICS short action magazines! Available in Black, Flat Dark Earth, Gray or OD Green stock options. Made from reinforced polymer and a machine finished, anodized A380 cast aluminum bedding block, the Magpul Remington 700 Hunter Stock offers users a fully adjustable length of pull, comb height, and enhanced ergonomics. Compatible with all Remington 700 Short Actions, this stock requires no bedding and is a true "drop-in" solution for the end user. This stock is also M-LOK compatible to accept a broad range of accessories. Also available separately is the Bolt Action Magazine Well, which allows the rifle to be used with detachable box magazines without the need for custom inletting. The Magpul Bolt Action Magazine Well is a drop-in solution for our Remington 700 Hunter Stock for those that are wishing to add detachable box magazine capabilities to their rifle. By simply removing your OEM bottom metal and the insert on the Hunter 700 Stock, users can add this reinforced polymer trigger guard and magazine well to their rifle without the need for custom inletting from gunsmiths. Designed to work with AICS pattern, short action magazines. This kit also includes the Magpul PMAG 5 AC. The PMAG 10 7.62 AC is a reliable and durable polymer magazine compatible with AICS-spec bottom metal and short action cartridges built on a 0.470" case head. With double the capacity of our standard 5-rounder, the PMAG 10 7.62 AC is ideal for competition or combat use. Built using M3 technology, this magazine is advanced in both material and manufacturing processes, and we've given it more features to make it one of the most advanced, reliable bolt action magazines on the market.

Safety Instruction Guide for REMINGTON 700 HUNTER S/A STOCK W/BOTTOM METAL & 2 7.62 MAGS

Introduction

Thank you for choosing the REMINGTON 700 HUNTER S/A Stock with Bottom Metal and Magpul 7.62 Mags. This safety instruction guide is designed to help you use this product safely and effectively. Please read all instructions carefully before use to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and its components securely to prevent unauthorized access, especially by children.
- Regularly inspect your stock and magazines for signs of wear or damage before each use.
- Ensure that you are familiar with your firearm's operation and safety features.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the stock before attempting to fire.
- Do not exceed the magazine capacity as specified by the manufacturer.
- Avoid using damaged or worn magazines, as they may lead to malfunctions.
- Use only compatible ammunition as specified for your firearm and magazines.
- Do not attempt to modify or alter the stock or magazines in any way.
- Always wear appropriate eye and ear protection when using your firearm.

Instructions for Installation and Usage

Installation of the Stock

1. **Remove the OEM Bottom Metal:** Carefully detach the original bottom metal from your Remington 700.
2. **Insert the Hunter 700 Stock:** Align the Hunter 700 stock with the action of your rifle and slide it into place.
3. **Secure the Stock:** Follow the manufacturer's instructions to secure the stock using the provided hardware.
4. **Attach the Magazine Well:** If using the Bolt Action Magazine Well, align it with the stock and secure it as per the instructions.

Using the Magazines

- Load the PMAG 7.62 AC magazines with the appropriate ammunition.
- Insert the magazine into the magazine well until it clicks into place.
- To remove the magazine, press the release button and pull the magazine out gently.

Adjusting the Stock

- Adjust the length of pull and comb height to suit your preference for optimal comfort and control.
- Ensure all adjustments are securely locked before use.

Disposal Instructions

- Dispose of the stock, magazines, and any associated components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for local recycling programs for polymer and metal components.

Contact Information for Further Support

For any inquiries or support regarding the REMINGTON 700 HUNTER S/A Stock and its components, please refer to the manufacturer's website or contact your local dealer.

By adhering to these guidelines, you will help ensure your safety and the safety of others while using the REMINGTON 700 HUNTER S/A Stock with Bottom Metal and 2 7.62 Mags. Always prioritize safety and responsible firearm practices.
