

DAKA® POUCHES - MAGPUL DAKA LARGE POUCH FDE

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The Magpul DAKA Pouch, designed to bring organization to the dusty, dirty, and muddy world we work and play in. Made from polymer infused textiles that are welded on all seams and use a genuine YKK® water resistant zipper. The construction methods and materials used mean that these pouches are at home in hard use applications like tool storage or bulk storage of your reloaded ammunition as well as lighter duties like organizing your personal electronic accessories. Although these pouches are not 100% water proof (read submersible...) they will keep your items dry under most wet weather situations making them a great choice for most outdoor adventures. Made in the U.S.A. FEATURES Large Pouch size 13"H x 9"W Reinforced polymer fabric with anti-slip texture Welded construction creates permanent impenetrable seals YKK AquaGuard® water repellant zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Paint pen dot matrix debossed into body for identification marking Carabineer attachment points

DAKA® Pouches Magpul DAKA Large Pouch FDE

Safety Instruction Guide

Introduction

Thank you for choosing the Magpul DAKA Pouch. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of your DAKA Pouch. Please read this manual carefully to ensure a safe and effective experience with your product.

General Safety Guidelines

- Always inspect the pouch for any visible damage before use. Do not use if damaged.
- Ensure that the pouch is suitable for your intended use, especially when storing heavier items.
- Keep the pouch away from sharp objects that could puncture or damage the material.
- Avoid submerging the pouch in water, as it is not 100% waterproof.
- Store the pouch in a cool, dry place when not in use to maintain its integrity.
- Do not overload the pouch beyond its intended capacity to prevent strain on the seams and zippers.
- Keep the pouch out of reach of small children to avoid potential choking hazards from any detachable parts or accessories.

Specific Safety Precautions for Use

- When using the pouch in wet conditions, ensure that all items stored inside are also waterresistant or waterproof.
- Use caution when handling the YKK AquaGuard® zipper to avoid pinching fingers.
- If using the pouch for storing tools or ammunition, ensure that it is kept away from heat sources or open flames.
- For enhanced grip, use the 550 paracord with heat shrink tubing, especially when wearing gloves.
- When marking the pouch with a paint pen, allow sufficient time for the ink to dry to avoid smudging.

Instructions for Installation and Usage

- **Usage:**

1. Open the YKK AquaGuard® zipper completely to access the interior of the pouch.
2. Place your items inside the pouch, ensuring even distribution of weight.
3. Close the zipper securely to protect contents from moisture and dirt.
4. For added convenience, use the carabineer attachment points to secure the pouch to a backpack or belt.

- **Installation (if applicable):**

1. Identify the desired location for use, ensuring it is free from sharp edges and potential hazards.
2. If attaching to a larger storage system, ensure that the attachment points are securely fastened.
3. Test the stability of the pouch after installation to ensure it is secure.

Disposal Instructions

- Dispose of the pouch responsibly in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.
- Do not incinerate the pouch, as it may release harmful substances when burned.

Contact Information for Further Support

For any safety inquiries or concerns regarding your DAKA Pouch, please reach out to the manufacturer directly through the provided contact details included with your product packaging.

Thank you for following these safety guidelines. Enjoy your DAKA Pouch and the organization it brings to your outdoor adventures!
