

# #7.5 MAGNUM LEAD SHOT 25 LBS/BAG

[Reloading](#) > [Shot](#)

Building on 100 years of shot-making experience, the folks at Lawrence design their shot to pattern tightly and deliver deep penetration on game. Flows great through shotshell reloaders, too. Magnum Lead Shot is made out of a high-antimony alloy that gives extra hardness and helps prevent pellet deformation at high velocities and pressures. Graphite coating helps pellets to flow smoothly through the loader. Sold by the bag.

## Attributes

- Name: [LAWRENCE BRAND SHOT #7.5 MAGNUM LEAD SHOT 25 LBS/BAG](#)
- Manufacturer: [LAWRENCE BRAND SHOT](#)
- Product no.: 100020095
- Mfr. No.: LAW#7.5M
- Shot Size: #7 1/2
- Delivery weight: 11.385kg
- UPC: 654367417041

# Safety Instruction Guide for LAWRENCE BRAND SHOT #7.5 MAGNUM LEAD SHOT

## Introduction

Thank you for choosing LAWRENCE BRAND SHOT #7.5 MAGNUM LEAD SHOT. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the shot to understand the safety measures, usage instructions, and disposal guidelines.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using this product.
- Store the shot in a cool, dry place, away from direct sunlight and heat sources.
- Keep the product out of reach of children and unauthorized persons.
- Always use appropriate personal protective equipment (PPE) when handling lead shot.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only in accordance with local laws and regulations regarding the use of lead shot.
- Avoid inhalation of dust created during handling; use a mask if necessary.
- Do not eat or drink while handling the shot.
- Wash hands thoroughly after handling the product.
- Avoid contact with skin; wear gloves if necessary.
- Do not use the shot if the packaging is damaged or compromised.
- Ensure that the shot is compatible with your shotshell reloader before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including shotshell reloaders and protective gear.
- Ensure your workspace is clean and free from distractions.

### 2. Loading the Shotshell:

- Open the bag of LAWRENCE BRAND SHOT #7.5 MAGNUM LEAD SHOT carefully.
- Pour the shot into the shotshell reloader according to the manufacturer's instructions.
- Ensure the shot flows smoothly through the loader to avoid jams.

### 3. Firing:

- Always point the firearm in a safe direction when loading and unloading.
- Follow all manufacturer guidelines for your firearm and ammunition.
- Ensure that you are in a safe environment when firing and that all safety measures are in place.

### 4. PostUse:

- Store any unused shot in its original bag and seal it tightly.
- Clean your shotshell reloader and workspace after use to prevent contamination.

## **Disposal Instructions**

- Dispose of any unused or leftover lead shot in accordance with local regulations for hazardous waste.
- Do not dispose of lead shot in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using LAWRENCE BRAND SHOT #7.5 MAGNUM LEAD SHOT. Your careful handling and adherence to these guidelines will help ensure a safe and effective shooting experience.
