

# #8 MAGNUM LEAD SHOT 25 LBS/BAG

[Reloading](#) > [Shot](#)

Building on 100 years of shot-making experience, the folks at Lawrence design their shot to pattern tightly and deliver deep penetration on game. Flows great through shotshell reloaders, too. Magnum Lead Shot is made out of a high-antimony alloy that gives extra hardness and helps prevent pellet deformation at high velocities and pressures. Graphite coating helps pellets to flow smoothly through the loader. Sold by the bag.

## Attributes

- Name: [LAWRENCE BRAND SHOT #8 MAGNUM LEAD SHOT 25 LBS/BAG](#)
- Manufacturer: [LAWRENCE BRAND SHOT](#)
- Product no.: 100020096
- Mfr. No.: LAW#8M
- Shot Size: #8
- Delivery weight: 11.362kg
- UPC: 654367417058

# Safety Instruction Guide for LAWRENCE BRAND SHOT #8 MAGNUM LEAD SHOT

## Introduction

Thank you for choosing LAWRENCE BRAND SHOT #8 MAGNUM LEAD SHOT. This product is designed for safe and effective use in shooting sports. Please read this safety instruction guide carefully to ensure proper handling and usage, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Ensure you are familiar with local laws and regulations regarding the use of lead shot and shooting sports.
- Store lead shot in a cool, dry place away from children and unauthorized users.
- Regularly check for product recalls or safety alerts through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use appropriate protective gear, including safety glasses and hearing protection, when handling or using lead shot.
- Only use the lead shot in compatible shotshells and firearms as specified by the manufacturer.
- Avoid using lead shot in areas where it is prohibited by local regulations.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not consume food or drink while handling lead shot to avoid ingestion.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and designated shooting area.
- Gather all necessary equipment, including shotshells, a reloader, and protective gear.

### 2. Loading Shotshells:

- Use a reloader designed for Magnum Lead Shot to ensure proper loading.
- Follow the manufacturer's instructions for your specific reloader model.
- Verify that the shotshells are compatible with #8 Magnum Lead Shot.

### 3. Shooting:

- Always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of the target and what is beyond it.

### 4. PostShooting:

- Store any unused lead shot in a secure location.
- Dispose of any spent cartridges and lead shot responsibly, following local regulations.

## **Disposal Instructions**

- Dispose of lead shot and spent cartridges in accordance with local environmental regulations.
- Do not dispose of lead shot in regular household waste.
- Consider recycling options for lead materials where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of LAWRENCE BRAND SHOT #8 MAGNUM LEAD SHOT, please refer to the manufacturer's contact information provided on the packaging or visit their official website for more details.

By following these safety instructions, you ensure not only your safety but also the safety of those around you. Thank you for choosing LAWRENCE BRAND SHOT. Enjoy your shooting experience responsibly!
