

#9 MAGNUM LEAD SHOT 25 LBS/BAG

[Reloading](#) > [Shot](#)

Building on 100 years of shot-making experience, the folks at Lawrence design their shot to pattern tightly and deliver deep penetration on game. Flows great through shotshell reloaders, too. Magnum Lead Shot is made out of a high-antimony alloy that gives extra hardness and helps prevent pellet deformation at high velocities and pressures. Graphite coating helps pellets to flow smoothly through the loader. Sold by the bag.

Attributes

- Name: [LAWRENCE BRAND SHOT #9 MAGNUM LEAD SHOT 25 LBS/BAG](#)
- Manufacturer: [LAWRENCE BRAND SHOT](#)
- Product no.: 100020097
- Mfr. No.: LAW#9M

Safety Instruction Guide for LAWRENCE BRAND SHOT #9 MAGNUM LEAD SHOT

Introduction

Thank you for choosing LAWRENCE BRAND SHOT #9 MAGNUM LEAD SHOT. This product is designed for safe and effective use in shooting applications. Please read this safety instruction guide carefully to ensure safe handling and usage of the product. Your safety is our priority.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Ensure that you are using the correct shot size for your firearm.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate eye and ear protection while shooting.
- Ensure that your firearm is in good working condition before use.
- Avoid using the product in wet or damp conditions.
- Do not exceed the recommended load specifications for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow local laws and regulations regarding the use of lead shot.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your shotgun reloader is compatible with Magnum Lead Shot.
 - Follow the manufacturer's instructions for your specific reloader model.
 - Load the shot according to the recommended specifications for your firearm.
- **Usage:**
 - Always check that the firearm is unloaded before loading ammunition.
 - Load one shell at a time and ensure proper seating in the chamber.
 - Aim in a safe direction and be aware of your target and what lies beyond it.
 - After shooting, inspect the area for any remaining shot or debris.

Disposal Instructions

- Dispose of any unused or expired lead shot in accordance with local regulations.
- Do not dispose of lead shot in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support
