

DELUXE NECK SIZE DIES - LYMAN DELUXE NECK SIZE DIE ONLY - .243 WINCHESTER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Lyman Deluxe Neck Sizing Die features a precision machined and hardened die body, along with a super hard and slick carbide expander button. The expander button also free floats on the rod to allow it to self center in the case neck and the slick button easily passes through the case neck. The result is a die that will reduce case stretching, increase case life and provide enhanced accuracy for the reloader.

Safety Instruction Guide for Lyman Deluxe Neck Size Die .243 Winchester

Introduction

Thank you for choosing the Lyman Deluxe Neck Size Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read the following information carefully before using the die.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of reloading equipment.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die and all reloading components out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the Lyman Deluxe Neck Size Die with .243 Winchester cartridges.
- Ensure that the die is properly installed in your reloading press before use.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Inspect the die for any signs of damage or wear before each use.
- Avoid placing your fingers near the die's moving parts during operation.
- Always follow the manufacturer's instructions for reloading and die usage.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted.
- Remove any existing die from the press if necessary.
- Carefully thread the Lyman Deluxe Neck Size Die into the press until it is secure.
- Adjust the die to the desired position according to your specific reloading needs.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the case into the shell holder of the press.
- Pull the handle to raise the ram, allowing the case to enter the die.
- Follow the recommended reloading procedures to resize the case neck.
- Once completed, lower the ram and remove the resized case from the shell holder.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials or waste in regular household trash.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Lyman Deluxe Neck Size Die, including safety information and

product support, please refer to the manufacturer's official contact channels.

This guide is designed to ensure your safety and enhance your reloading experience. Always prioritize safety and follow these guidelines for responsible use of your Lyman Deluxe Neck Size Die.
