Lyman Case Prep MultiTool Safety Instructions

Introduction

Thank you for choosing the Lyman Case Prep MultiTool. This product is designed to provide you with all the essential case preparation accessories in one compact, doubleended storage tool. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with the use of the tool.
- Always keep the tool out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts related to this product.
- Use the tool only for its intended purpose as described in the instructions.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Inspect the tool for any damage before use. Do not use if any parts are broken or missing.
- Use the tool in a welllit and clean workspace to prevent accidents.
- Keep fingers and hands clear of moving parts while in use.
- Do not apply excessive force when using the tool to avoid injury or damage.
- Store the tool in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Handle Assembly

- Unscrew the knurled handle to access the storage compartment.
- Ensure all tool heads are securely attached to the handle before use.

2. Using the Outside Deburring Tool

- Attach the outside deburring tool to one end of the handle.
- Position the case against the deburring tool and gently rotate to remove burrs.

3. Using the Inside Deburring Tool

- Attach the inside deburring tool to the opposite end of the handle.
- Insert the tool into the case and rotate gently to deburr the inside edges.

4. Using Primer Pocket Cleaners

- Select the appropriate size primer pocket cleaner (large or small).
- Insert the cleaner into the primer pocket and twist to clean.

5. Using Primer Pocket Reamers

- Choose the correct primer pocket reamer size.
- Insert into the primer pocket and turn gently to ream the pocket.

Disposal Instructions

- Dispose of the tool responsibly at a designated electronic waste recycling facility if it is no longer usable.
- Do not dispose of the tool in regular household waste.
- Follow local regulations for the disposal of tools and accessories.

Contact Information for Further Support

For any questions or concerns regarding the usage or safety of the Lyman Case Prep MultiTool, please contact the designated support service in your region.

Thank you for your attention to these safety instructions. Enjoy using your Lyman Case Prep MultiTool safely and effectively!
