

# MASTER HUNTER DIE SETS - REDDING 7MM-08 REMINGTON HUNTER DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Master Hunter series combines Redding's proven Competition Seating Die with a full-length sizing die that lets the hunter load exceptionally consistent ammo to minimize risk of a stuck case or failure to feed that can hinder taking a follow up shot. Full-length sizing also enables use of any SAAMI-standard brand of case without having to resort to bushing sizer die. The result is precise bullet/case neck alignment and finely-tuned bullet seating that lets hunters achieve the utmost performance from their favorite loads.

# Safety Instruction Guide for MASTER HUNTER DIE SETS REDDING 7MM08 REMINGTON HUNTER DIE SET

## Introduction

Thank you for choosing the MASTER HUNTER DIE SETS REDDING 7MM08 REMINGTON HUNTER DIE SET. This product is designed to help hunters load ammunition effectively while ensuring safety and performance. It is essential to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the instructions before using the die set.
- Use the die set only for its intended purpose, which is to reload ammunition for the 7mm08 Remington cartridge.
- Ensure that you are familiar with local laws and regulations regarding ammunition reloading and usage.
- Keep the die set and all reloading materials out of reach of children and unauthorized users.
- Inspect the die set for any damage or defects before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Ensure your work area is clean, organized, and free from distractions.
- Store the die set and reloading materials in a cool, dry place away from direct sunlight and moisture.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before starting the reloading process.
- Always doublecheck the measurements and specifications of the components being used (e.g., cases, bullets, powders) to avoid inconsistencies.
- Never exceed the recommended load data provided by reliable sources.
- Be aware of the potential hazards associated with the materials used in reloading, such as gunpowder and primers.
- Avoid using the die set if you are feeling fatigued or under the influence of substances that could impair your judgment.
- In case of an accident or injury, seek medical attention immediately.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Remove the die set from its packaging.
- Clean the die set with a suitable solvent to remove any protective oils.
- Install the fulllength sizing die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height for fulllength sizing as specified in the press manual.
- Install the competition seating die in the same manner, ensuring it is securely fastened.

### 2. Using the Die Set:

- Begin by preparing your brass cases, ensuring they are clean and free from debris.
- Insert a brass case into the sizing die and operate the press to resize the case.
- After resizing, inspect the case for any defects and ensure it meets the specifications for the 7mm08 Remington cartridge.
- Proceed to the competition seating die for bullet seating. Adjust the seating depth as necessary for

your specific load.

- After seating the bullets, perform a final inspection of the completed ammunition to ensure safety and consistency.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials such as gunpowder or primers in regular trash. Instead, contact local waste management authorities for proper disposal methods.
- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MASTER HUNTER DIE SETS REDDING 7MM08 REMINGTON HUNTER DIE SET, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and productive reloading experience with the MASTER HUNTER DIE SETS REDDING 7MM08 REMINGTON HUNTER DIE SET. Always prioritize safety and stay informed about best practices in ammunition reloading.
