

MASTER HUNTER DIE SETS - REDDING 308 WINCHESTER HUNTER DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Master Hunter series combines Redding's proven Competition Seating Die with a full-length sizing die that lets the hunter load exceptionally consistent ammo to minimize risk of a stuck case or failure to feed that can hinder taking a follow up shot. Full-length sizing also enables use of any SAAMI-standard brand of case without having to resort to bushing sizer die. The result is precise bullet/case neck alignment and finely-tuned bullet seating that lets hunters achieve the utmost performance from their favorite loads.

Master Hunter Die Sets Safety Instructions

Introduction

Thank you for choosing the Master Hunter Die Sets by Redding. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before use to understand the safety precautions, installation, and usage instructions.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is reloading 308 Winchester ammunition.
- Always follow local laws and regulations regarding ammunition reloading.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before use. Do not use damaged components.
- Use personal protective equipment, such as safety glasses, when reloading ammunition.
- Store the die set in a dry, secure location when not in use.

Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhaling dust or fumes.
- Be cautious when handling primers and powder; they can be hazardous if mishandled.
- Avoid distractions while reloading to maintain focus and ensure safety.
- Never exceed recommended powder charges; refer to reliable reloading manuals for guidance.
- Ensure that the reloading press is securely mounted to prevent movement during operation.
- Do not use the die set for any purpose other than reloading ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Securely mount the press to a stable work surface.
- Attach the fulllength sizing die to the press according to the manufacturer's instructions.
- Install the competition seating die following the same procedure.

2. Usage:

- Begin by preparing your brass cases by cleaning and inspecting them for damage.
- Insert the brass case into the sizing die and operate the press to resize the case.
- After resizing, remove the case and inspect it for proper sizing.
- Next, insert the case into the competition seating die.
- Carefully adjust the die to achieve the desired bullet seating depth.
- After seating the bullet, inspect the completed round for consistency and quality.
- Store completed ammunition in a safe and secure manner.

Disposal Instructions

- Dispose of any unused or excess reloading materials according to local regulations.
- Do not dispose of primers or powder in regular trash; check for hazardous waste disposal options in your area.
- Recycle brass cases whenever possible to reduce environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Master Hunter Die Sets, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have the product details on hand for a quicker response.

By following these safety instructions, you can enjoy a safe and successful reloading experience with your Master Hunter Die Sets. Thank you for prioritizing safety while using this product.
