

# TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 1" MEDIUM (0.985") STEEL RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS 1" MEDIUM \(0.985"\) STEEL RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020381
- Mfr. No.: 30501
- Height: .985"
- Material: Steel
- Scope Tube Diameter: 1"
- Size: Medium
- Style: Steel
- Delivery weight: 0.204kg
- Shipping height: 56mm
- Shipping width: 61mm
- Shipping length: 94mm
- UPC: 071611305013

# TSR Picatinny Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. These rings are designed to securely hold your scope in place, ensuring accurate performance during use. To ensure your safety and the longevity of your product, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose: mounting scopes on firearms.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the scope rings for signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings while handling firearms and mounted scopes.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about potential safety issues.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when tightening the rings to avoid damaging the scope or rings.
- Ensure that the scope is properly aligned before securing the cap to prevent misalignment during use.
- Avoid using the product in extreme temperatures or harsh environments that could affect its integrity.
- If the scope rings become loose during use, stop using the firearm immediately and check the installation.
- Always wear appropriate eye protection when using firearms to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and the appropriate size screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Align the scope rings with the Picatinny rail on your firearm.
- Place the scope in the rings, ensuring it is positioned for optimal eye relief and alignment.
- Secure the fourscrew cap by tightening the left side first, then the right side, to prevent rotation of the scope.
- Use a torque wrench to tighten the clampnut to meet MilSTD 1913 specifications.

### 3. Usage

- Once installed, check the alignment of the scope reticle by looking through the scope. Adjust as necessary.
- After installation, regularly check the tightness of the screws and the overall integrity of the scope rings during use.

### 4. PostUse Care

- After use, clean the scope rings and surrounding areas to prevent corrosion and maintain functionality.
- Store the firearm and scope rings in a dry, secure location.

## **Disposal Instructions**

- When the scope rings reach the end of their life or are no longer functional, dispose of them in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept metal products.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy the precision and reliability of your TSR Picatinny Scope Rings!
