

TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 30MM LOW (0.925") STEEL RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS 30MM LOW \(0.925"\) STEEL RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020383

TSR Picatinny Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSR Picatinny Scope Rings from TPS Products. These scope rings are designed to securely hold your scope in place while ensuring safety during use. This guide provides essential safety instructions, installation procedures, and disposal information to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and follow the manufacturer's instructions before use.
- Inspect the scope rings for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the scope rings only with compatible scopes and Picatinny bases.
- Ensure that the rings are properly tightened to avoid any movement during use.
- Regularly check the torque of the rings to ensure they remain secure.
- Avoid using excessive force when tightening the screws to prevent damage.
- Be aware of any sharp edges on the product during installation and handling.
- Do not modify the product in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench.
- Ensure the work area is clean and free from distractions.

2. Installation

- Place the scope rings onto the Picatinny base, ensuring they are aligned correctly.
- Insert the screws into the cap of the rings.
- Tighten the left side of the cap first to secure the scope in place, then tighten the right side without rotating the scope.
- Use the torque wrench to tighten the clampnut to the recommended MilSTD 1913 specifications.

3. Usage

- Before using the firearm, doublecheck that the scope is securely mounted and properly aligned.
- Maintain a safe distance from others while operating the firearm.
- Always follow firearm safety guidelines when using the scope.

4. PostUse Inspection

- After use, inspect the scope rings for any signs of wear or damage.
- If any issues are detected, do not use the product until it has been evaluated by a qualified technician.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury.
- Recycle materials where possible, following your local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the TSR Picatinny Scope Rings, please refer to the manufacturer's contact information provided with your purchase. Always ensure your inquiries are directed to the appropriate EU-based contact for safety inquiries.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
