

TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 30MM HIGH (1.225") STEEL RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS 30MM HIGH \(1.225"\) STEEL RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020385
- Mfr. No.: 30572
- Height: 1.225"

TSR Picatinny Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. These highquality steel rings are designed for secure mounting of your scope, ensuring optimal performance and safety during use. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Always inspect the scope rings for damage or wear before each use.
- Store the scope rings in a dry, cool place to prevent corrosion and damage.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Keep the product out of reach of children and unauthorized users.
- Use appropriate safety gear when handling firearms and related accessories.

Specific Safety Precautions for Use

- **Recoil Management:** Ensure that the scope is properly secured to prevent movement during recoil.
- **Alignment:** When aligning the reticle, ensure that the scope does not rotate while tightening the cap screws.
- **Torque Specifications:** Use a torque wrench to tighten the rings to the recommended specifications to avoid overtightening or undertightening.
- **Inspection After Installation:** After installation, check the alignment and stability of the scope before use.
- **Regular Maintenance:** Periodically check the tightness of the screws and the condition of the rings during regular maintenance of your firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench, screwdriver, and any other tools required for your specific firearm.
- Ensure that you are working in a clean, welllit environment.

2. Installation:

- Place the scope rings onto the Picatinny rail of your firearm.
- Align the rings so that they are positioned correctly for your scope.
- Insert the screws into the ring caps and handtighten them to hold the scope in place.

3. Securing the Scope:

- Align the reticle of your scope.
- Tighten the left side of the cap screws first, followed by the right side. Ensure that the scope remains aligned during this process.
- Use a torque wrench to tighten the screws to the recommended torque specifications (check your firearm's manual for specifics).

4. Final Inspection:

- Once installed, visually inspect the setup to ensure that everything is secure and aligned.
- Perform a function check by gently moving the scope to ensure it does not shift from its position.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the TSR Picatinny Scope Rings, please consult the manufacturer's website or customer service resources available in your region. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of the TSR Picatinny Scope Rings. Thank you for prioritizing safety and responsible use.
