

TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 34MM LOW (1.025") ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS 34MM LOW \(1.025"\) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020392

TSR Picatinny Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSR Picatinny Scope Rings from TPS Products. These precisionengineered aluminum rings are designed to securely hold your scope, ensuring optimal performance and safety during use. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Always inspect the product for damage before use. Do not use if any parts are damaged.
- Ensure that the scope rings are compatible with your scope and firearm.
- Follow all manufacturer instructions for installation and usage.
- Use the scope rings only for their intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the tightness of the scope rings to ensure they remain secure.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rings are mounted on a compatible Picatinny base.
- Do not exceed the recommended torque settings when tightening the rings.
- Avoid using excessive force during installation, as this may damage the rings or the scope.
- Be cautious of sharp edges during handling to prevent cuts or injuries.
- Always wear appropriate eye protection when working with firearms.
- Ensure that the firearm is unloaded before installing or adjusting the scope rings.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure your firearm is unloaded and in a safe environment.

2. Installation:

- Place the scope rings on the Picatinny base, ensuring they are properly aligned.
- Secure the rings using the four screws provided.
- Tighten the left side of the cap first, followed by the right side to avoid scope rotation.
- Use the torque wrench to tighten the screws to the recommended MilSTD 1913 specifications.

3. Usage:

- Once installed, check the alignment of the reticle and make any necessary adjustments.
- Regularly inspect the rings for signs of wear or loosening during use.
- Always ensure the scope is securely held in place before using the firearm.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged or no longer usable, recycle it whenever possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the TSR Picatinny Scope Rings, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your TSR Picatinny Scope Rings. Thank you for your attention to safety, and enjoy your shooting experience.
