

TSR-W SUPER LOW PICATINNY/WEAVER RINGS - TPS PRODUCTS

TSR-W SUPER LOW ALUMINUM RINGS 30MM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR-W SL (Super-Low) Series Rings. Providing an extremely low mounting solution for those special applications. Precisely machined with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases. Height measured from top of base to center of ring.

TSRW SUPER LOW PICATINNY/WEAVER RINGS

Safety Instruction Guide

Introduction

Thank you for choosing the TSRW SUPER LOW PICATINNY/WEAVER RINGS by TPS PRODUCTS. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's specifications.
- Always inspect the product for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as this may compromise safety.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure all components are present before installation.
 - Use appropriate tools to avoid injury during installation.
 - Follow the installation instructions closely to prevent accidents.
- **Usage Safety:**
 - Always ensure that the scope is securely mounted to prevent movement during use.
 - Be aware of the recoil generated during firing and ensure the rings hold the scope securely.
 - Regularly check the tightness of the screws to maintain stability during use.
- **Disposal Safety:**
 - Dispose of the product in accordance with local regulations.
 - Do not dispose of the product in regular household waste.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Gather all necessary tools including a torque wrench.
- Ensure you have a clean, dry workspace.

2. Mounting the Rings:

- Place the TSRW rings onto the Picatinny or Weaver base.
- Align the rings with the scope tube for proper fit.

3. Securing the Rings:

- Use the fourscrew cap to tighten the rings.
- Tighten the left side of the cap first, followed by the right side to ensure the scope does not rotate.
- Use the large clampnut to torque the rings to the base securely.

4. Final Check:

- Verify that the scope is aligned properly and securely fastened.
- Ensure all screws are tightened to the manufacturer's specifications.

Usage Instructions

- Always check the mounting before each use to ensure the scope is secure.
- Adjust the reticle as needed, ensuring that the adjustments do not affect the scope's secure mounting.
- Be mindful of the recoil when firing, as this can affect the scope's position.

Disposal Instructions

- Dispose of the TSRW SUPER LOW RINGS in accordance with local environmental regulations.
- If the product is damaged or no longer in use, consider recycling materials where applicable.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product. Ensure you have your product details ready when seeking support.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your TSRW SUPER LOW PICATINNY/WEAVER RINGS.
