

HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT ALUMINUM RINGS 1" LOW

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

Attributes

HRT Picatinny/Weaver Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. These scope rings are designed to provide a secure and stable mounting solution for your scope. This guide provides important safety instructions and usage guidelines to ensure your safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope rings by following all instructions carefully. These rings are designed for nonfood applications and should be used only as intended.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and provides the same level of protection as physical stores.
- **Enhanced Recalls:** Be aware of the possibility of product recalls. Stay informed about any safety notices related to this product.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform, which provides timely information on unsafe products.

Specific Safety Precautions for Use

- **Inspection:** Before installation, inspect the scope rings for any signs of damage or defects. Do not use if damaged.
- **Compatibility:** Ensure that the scope rings are compatible with your scope and mounting system. The scope tube diameter must be 1 inch.
- **Torque Settings:** Use a torque wrench to tighten the rings according to the specifications provided. Overtightening may damage the scope or the rings.
- **Recoil Management:** Ensure that the scope is securely mounted to withstand recoil. Check the alignment regularly, especially after use.
- **Child Safety:** Keep the product out of reach of children to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and any other required mounting hardware.
- Ensure the firearm is unloaded and safe to handle.

2. Installation:

- Place the scope rings on the Picatinny or Weaver base.
- Align the rings with the scope tube and ensure they are positioned correctly.
- Insert the screws into the ring caps and handtighten them to hold the scope in place.

3. Securing the Scope:

- Use a torque wrench to tighten the screws. Follow the recommended torque settings to avoid overtightening.

- Start by tightening the left side of the cap, then proceed to the right side. This helps maintain the alignment of the reticle.

4. Final Check:

- After installation, check the alignment of the scope and ensure it is secure. Make any necessary adjustments.
- Test the setup by gently shaking the firearm to ensure that the scope does not move.

5. Routine Maintenance:

- Regularly check the tightness of the screws and the alignment of the scope, especially after heavy use or recoil.

Disposal Instructions

- Dispose of any packaging materials responsibly according to local regulations.
- If the product is no longer usable, follow local guidelines for disposing of metal parts. Do not dispose of in regular household waste.

Contact Information for Further Support

For further support or safety inquiries regarding the HRT Picatinny/Weaver Scope Rings, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy using your HRT Scope Rings safely and effectively!
