# Safety Instruction Guide for BOLT ACTION MAGAZINE WELL HUNTER 700L STANDARD BLACK

## Introduction

Thank you for choosing the Magpul Bolt Action Magazine Well 700L Standard. This product is designed to enhance the functionality of your Hunter 700L Stock while ensuring safe and efficient use. This safety instruction guide provides essential information to help you use this product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or removing the magazine well.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magazine well for any signs of damage or wear.
- Do not modify the product in any way, as this may compromise safety.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Use only AICSpattern long action magazines with this magazine well.
- Always wear appropriate safety gear when handling firearms.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Hunter 700L Stock and the magazine well before use.
- Always check that the magazine is securely seated in the magazine well before firing.
- Do not use the magazine well if it appears damaged or if the magazine does not fit securely.
- Avoid placing fingers inside the trigger guard when the firearm is loaded.
- Always point the firearm in a safe direction when loading or unloading.
- Store the magazine well in a safe and dry location when not in use.

## Instructions for Installation and Usage

### Installation

1. **Remove OEM Bottom Metal:** Carefully detach the original bottom metal from your Hunter 700L Stock.
2. **Install the Magazine Well:**
  - Align the Magpul Bolt Action Magazine Well with the stock.
  - Ensure that the reinforced polymer trigger guard is properly seated.
3. **Secure the Installation:**
  - Use the provided steel action screw pillars to secure the magazine well to the stock.
  - Ensure all screws are tightened adequately but do not overtighten.
4. **Check the Assembly:**
  - Confirm that the magazine well is firmly attached and that there are no gaps or misalignments.

### Usage

- Insert the AICSpattern magazine into the magazine well until it clicks into place.
- To release the magazine, press the lowprofile, antisnag ambidextrous magazine release button.
- Ensure that the magazine is removed safely and properly after use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.

- Do not dispose of the product in regular household waste.
- Consider recycling options if available.

## Contact Information for Further Support

For any further inquiries regarding safety or usage, please refer to the manufacturer's contact information included with the product packaging.

This safety instruction guide aims to ensure your safety while using the Magpul Bolt Action Magazine Well 700L Standard. Please follow all guidelines and precautions to guarantee a safe and enjoyable experience.
