

# AR-15 SOLID ADJUSTABLE GAS BLOCK - SUPERLATIVE ARMS AR-15 SOLID ADJUSTABLE GAS BLOCK .625" BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The Superlative Arms patented "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back.

Data: Gas Block Material: 416 SS Barrel Diameter: 0.625" Weight: 1.37 oz. Length: 1.00" Attachment Type: Solid Gas Adjustment: 30 Locked Positions, Front Of Block Bleed Off Port: Front Of Block Included: Gas Block - Assembled (2) 10-32 x 3/16" Set Screws (1) Gas Tube Roll Pins (1) 3/32 X 6" L-Shaped Hex Keys Installation Instructions & QR code for video tutorial

## Attributes

- Name: [SUPERLATIVE ARMS AR-15 SOLID ADJUSTABLE GAS BLOCK .625" BLACK](#)
- Manufacturer: [SUPERLATIVE ARMS](#)
- Product no.: 100020569
- Mfr. No.: SABO-DI-625SM
- Inside Diameter: .625
- Material: Stainless Steel
- Style: Adjustable
- Weapon type: AR-15
- Delivery weight: 0.077kg
- Shipping height: 44mm
- Shipping width: 89mm
- Shipping length: 191mm
- UPC: 850011846025

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15 Solid Adjustable Gas Block

## Introduction

Thank you for purchasing the Superlative Arms AR15 Solid Adjustable Gas Block. This guide is designed to help you understand the safe use, installation, and maintenance of your gas block, ensuring optimal performance and safety. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the gas block by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about potential recalls by checking relevant authorities and platforms for updates.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to your local EU consumer protection agency.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for any alerts regarding this product.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to malfunction or injury.
- Failure to follow gas adjustment instructions can result in excessive recoil or blowback.

### • Avoiding Hazards:

- Ensure the gas block is installed correctly before use.
- Regularly check for gas leaks or damage.
- Only use the gas block with compatible AR15 platforms.
- Do not attempt to modify or disassemble the gas block beyond the provided instructions.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools: (2) 1032 x 3/16" Set Screws, (1) Gas Tube Roll Pin, and (1) 3/32 X 6" LShaped Hex Key.
- Ensure the firearm is unloaded and in a safe condition before beginning installation.
- Locate the gas port on your barrel and align the gas block.
- Secure the gas block using the provided set screws.
- Check that the adjustment screw is accessible and properly positioned.
- Verify that the bleedoff port is oriented correctly.

### 2. Usage:

- Adjust the gas flow by turning the gas adjustment screw. Ensure it is set to a position that allows reliable cycling of the action.
- Monitor the performance of your firearm after adjustments, particularly when using SBRs or

suppressors.

- Regularly inspect the gas block for signs of wear or carbon buildup, and clean as necessary.
- If you experience excessive recoil or malfunctions, revisit the gas adjustment settings.

## **Disposal Instructions**

- Dispose of the gas block in accordance with local regulations for metal and firearm components.
- Do not dispose of in regular household waste. Check for recycling options or designated disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your AR15 Solid Adjustable Gas Block, please refer to your local consumer protection agency or the manufacturer's support resources.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy the enhanced performance of your firearm with the Superlative Arms gas block!
