

# AR-15 SOLID ADJUSTABLE GAS BLOCK - SUPERLATIVE ARMS AR-15 SOLID ADJUSTABLE GAS BLOCK .750" BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The Superlative Arms patented "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back.

Data: Gas Block Material: 416 SS Barrel Diameter: 0.625" Weight: 1.37 oz. Length: 1.00" Attachment Type: Solid Gas Adjustment: 30 Locked Positions, Front Of Block Bleed Off Port: Front Of Block Included: Gas Block - Assembled (2) 10-32 x 3/16" Set Screws (1) Gas Tube Roll Pins (1) 3/32 X 6" L-Shaped Hex Keys Installation Instructions & QR code for video tutorial

## Attributes

- Name: [SUPERLATIVE ARMS AR-15 SOLID ADJUSTABLE GAS BLOCK .750" BLACK](#)
- Manufacturer: [SUPERLATIVE ARMS](#)
- Product no.: 100020573
- Mfr. No.: SABO-DI-750SM
- Inside Diameter: .750
- Material: Stainless Steel
- Style: Adjustable
- Weapon type: AR-15
- Delivery weight: 0.086kg
- Shipping height: 51mm
- Shipping width: 95mm
- Shipping length: 197mm
- UPC: 850011846063

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15 Solid Adjustable Gas Block

## Introduction

Thank you for choosing the Superlative Arms AR15 Solid Adjustable Gas Block. This product is designed to enhance the performance of your AR15 platform by providing adjustable gas flow for cleaner and cooler operation. Please read this safety instruction guide carefully to ensure safe and effective use of the gas block.

## General Safety Guidelines

- **Product Safety:** This gas block is designed for safe use with the AR15 platform. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If notified, follow the instructions provided for remedies.
- **Online Shopping:** Ensure that you purchase from authorized retailers that comply with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the manufacturer or authorized dealer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installation.
- **Adjusting Gas Flow:** Adjust the gas flow carefully to avoid potential malfunctions. Follow the instructions for adjustment.
- **Handling:** Always treat the firearm with respect and assume it is loaded until verified otherwise.
- **Inspection:** Regularly inspect the gas block and surrounding components for wear or damage.
- **Use with Suppressors:** If using a suppressor, ensure proper adjustment of the bleedoff port to minimize blowback.
- **Personal Protective Equipment:** Wear appropriate eye and ear protection when operating the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: (1) 3/32 X 6" LShaped Hex Key and (2) 1032 x 3/16" Set Screws.

### 2. Installation:

- Remove the existing gas block if applicable.
- Position the Superlative Arms gas block on the barrel, aligning it with the gas port.
- Secure the gas block using the provided set screws. Tighten them to the manufacturer's specifications.

### 3. Adjusting Gas Flow:

- Locate the gas adjustment screw on the outside of the gas block.
- Use the hex key to turn the screw to the desired position. The patented adjustment detent ensures secure locking.
- Adjust in small increments and test the firearm's function after each adjustment.

#### 4. **Testing:**

- After installation and adjustment, test fire the firearm to ensure proper operation.
- Observe for any signs of malfunction or excessive recoil.

#### 5. **Maintenance:**

- Periodically check the gas block for carbon buildup and clean as necessary.
- Ensure the adjustment screw remains free of obstruction and operates smoothly.

## Disposal Instructions

- **Disposal of Product:** When it is time to dispose of the gas block, do so in accordance with local regulations for metal and firearm components.
- **Environmental Considerations:** Do not dispose of in regular waste. Check for recycling options in your area.

## Contact Information for Further Support

For further assistance or inquiries regarding the Superlative Arms AR15 Solid Adjustable Gas Block, please reach out to your authorized dealer or the manufacturer directly.

Thank you for your attention to these safety instructions. Enjoy your enhanced AR15 experience with the Superlative Arms gas block. Stay safe!
