# Safety Instruction Guide for GR11 & GR15 Rubber Grips

## Introduction

Thank you for choosing the GR11 & GR15 Rubber Grips by Recover Tactical. This guide provides essential safety instructions and information to ensure the safe use and installation of your new grips. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installing or handling the grips.
- Store the grips in a secure location away from children and unauthorized users.
- Regularly inspect the grips for wear or damage. Do not use if they show signs of deterioration.
- Be aware of your surroundings when using or displaying firearms with the grips installed.

## Specific Safety Precautions for Use

- The grips are designed for use with standard 1911 firearms. Ensure compatibility before installation.
- Do not modify the grips or the firearm in ways not recommended by the manufacturer.
- Avoid exposing the grips to extreme temperatures or harsh chemicals that could degrade the material.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Gather Required Tools

- You will need a screwdriver compatible with the grip screws of your firearm.

### 2. Prepare the Firearm

- Ensure that the firearm is unloaded and pointed in a safe direction.

### 3. Remove Existing Grips

- Use the screwdriver to remove the screws holding the existing grips in place. Carefully set the old grips aside.

### 4. Install the Base Platform

- Align the supplied base platform with the mounting holes on the firearm.
- Use the existing grip screws to secure the base platform to the firearm. Make sure it is tightly fastened.

### 5. Wrap the Rubber Grips

- Take the RG11 Rubber Grips and wrap them around the base platform. Ensure a snug fit.
- Adjust the grips to your preferred position for comfort and control.

### 6. Check Installation

- Ensure that the grips are securely in place and do not interfere with the operation of the firearm.

- Perform a function check of the firearm to ensure everything operates correctly.

## 7. Regular Maintenance

- Periodically inspect the grips and base platform for any signs of wear or damage.
- Clean the grips with a damp cloth and mild soap if necessary. Avoid harsh chemicals.

## Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local waste disposal regulations.
- Do not throw grips in regular household waste if they contain hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy your GR11 & GR15 Rubber Grips!
