

SUPER CHARGING HANDLE 7.62 - GEISSELE AUTOMATICS SUPER CHARGING HANDLE 7.62 DDC

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Super Charging Handle (SCH) is 3D machined from a solid block of aircraft grade 7075-T6 aluminum. Its ambidextrous design allows for seamless operation from either side of the weapon. The levers are dual contoured similar to that of the charging handle of an M-4, where not only the x-axis but also the y-axis receive radius cuts. The handling surface of the lever is also checkered, adding a textured grip aiding to the use when operating with gloves. The heightened rear lip of the SCH aids in mitigating gas blow back to the shooter when shooting with short barreled and suppressed weapon systems. All parts are then Type 3 Hardcoat anodized and are available in black and DDC (Desert Dirt Color). Will not fit Sig 716 or S&W M&P 10 rifles.

Attributes

- Name: [GEISSELE AUTOMATICS SUPER CHARGING HANDLE 7.62 DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100020753

SUPER CHARGING HANDLE 7.62 Safety Instruction Guide

Introduction

Thank you for choosing the SUPER CHARGING HANDLE 7.62 by GEISSELE AUTOMATICS. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with firearms. Ensure you are familiar with the operation of your weapon before using the Super Charging Handle.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive a notice regarding this product, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Only buy from reputable sources.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point.
- **Rapid Alerts:** Stay updated on safety information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or handling the Super Charging Handle.
- Wear appropriate safety gear, including eye protection, while using the product.
- Do not modify the Super Charging Handle in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that you are in a safe area when operating your weapon.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded and in a safe state.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle from your firearm.
3. **Align the Super Charging Handle:** Position the Super Charging Handle in the charging handle slot of your firearm.
4. **Secure the Handle:** Follow your firearm's specific instructions to secure the Super Charging Handle in place.
5. **Test Functionality:** Before use, ensure the charging handle operates smoothly.

Usage

- **Ambidextrous Operation:** The Super Charging Handle is designed for use from either side of the weapon. Choose the side that is most comfortable for you.
- **Checkered Grip:** Utilize the textured grip for improved handling, especially when wearing gloves.
- **Gas Mitigation:** Be aware that the heightened rear lip helps reduce gas blowback, especially when using short barreled and suppressed systems.

Disposal Instructions

- Dispose of the Super Charging Handle responsibly. Follow local regulations for the disposal of aluminum

products.

- Do not dispose of in regular household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For further support regarding the SUPER CHARGING HANDLE 7.62, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure safe and effective use of the SUPER CHARGING HANDLE 7.62. Thank you for your attention to safety, and enjoy your product responsibly.
