Safety Instruction Guide for KEYMOD Picatinny Rail Sections

Introduction

Thank you for choosing the KEYMOD Picatinny Rail Sections from Bravo Company. This guide provides essential safety instructions to ensure safe use, installation, and disposal of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions to avoid any risks.
- Regularly inspect the rail sections for any signs of damage or wear. Do not use if any damage is found.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate protective gear when installing or handling the rail sections.
- Ensure that the mounting surface is clean and free from debris before installation.
- Avoid overtightening the mounting hardware, as this may cause damage to the rail or the mounting surface.
- Do not modify the rail sections or mounting hardware in any way, as this may compromise safety and functionality.
- Be aware of your surroundings and ensure a safe working environment during installation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the rail section, mounting hardware, and any required tools (e.g., screwdriver, wrench).
- Ensure the mounting surface is clean and dry.

2. Installation:

- Align the rail section with the KeyMod interface on the mounting surface.
- Insert the mounting hardware through the rail section and into the KeyMod slots.
- Tighten the mounting hardware securely, but do not overtighten.
- Verify that the rail section is securely attached and does not move when pulled.

3. Usage:

- After installation, regularly check the rail section to ensure it remains securely attached.
- Use the rail section only for its intended purpose. Do not exceed the weight limit specified by the manufacturer.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains any hazardous materials.
- Consider recycling options for the polymer material if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the product, please contact the manufacturer or your point of purchase for assistance. Ensure that you have your product information on hand when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with your KEYMOD Picatinny Rail Sections. Thank you for your attention to safety.
