

MORRIGAN IWB HOLSTERS - RAVEN CONCEALMENT SYSTEMS S&W M&P SHIELD IWB HOLSTER

[Home](#)

The Morrigan is a revolutionary concealment holster designed specifically for inside-the-waistband carry. While it can certainly be worn forward of the blade of the hip, the Morrigan is best-suited for people who carry their pistol on or behind the blade of the hip. It has an extremely slim, compact profile so as not to add bulk to the dimensions of the firearm. A full-height body shield protects the weapon from sweat, while simultaneously protecting the shooter from scrapes and discomfort caused by sharp edges on the pistol such as slide serrations. The body shield also fully protects the rear sight from snagging or cutting into cover garments while holstered. The exterior of the Morrigan is very smooth and contoured for all-day comfort, but has special features molded into the trigger guard and muzzle area to aid in tucking the rear of the slide and butt of the grip into the body for greater concealability. Retention is adjustable using the innovative 360-degree Velcro wrap, which provides extremely accurate and repeatable retention adjustments without the use of tools. This "tourniquet style" retention provides a very secure fit while still allowing for exceptionally quick presentations of the weapon from the holster. The Morrigan is ambidextrous. It attaches to the shooter's belt using a pair of IWB soft loops (included). The holster is adjustable for ride height and cant, and can be adjusted to conceal a pistol on a variety of body types. And like all RCS products, the Morrigan is made in the USA, and is covered by our unconditional lifetime warranty.

Safety Instruction Guide for Morrigan IWB Holsters

Introduction

Thank you for choosing the Morrigan IWB Holster by Raven Concealment Systems. This holster is designed for safe and comfortable inside the waistband carry of your Smith & Wesson M&P Shield. Please read this safety instruction guide carefully to ensure proper use and maintenance of your holster in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting or removing it from the holster.
- Keep the holster out of reach of children and unauthorized users.
- Inspect the holster regularly for signs of wear or damage.
- Do not use the holster if it shows signs of damage or if any components are missing.
- Store the holster in a safe and secure location when not in use.
- Familiarize yourself with your firearm and its operation before using the holster.

Specific Safety Precautions for Use

- Ensure that the holster is properly adjusted for ride height and cant to ensure comfort and safety.
- Always wear a sturdy belt that is compatible with the IWB soft loops for secure attachment.
- Do not carry the holster in a manner that may obstruct movement or lead to accidental discharges.
- Avoid wearing loose clothing that may catch on the holster or firearm.
- Be aware of your surroundings and practice safe handling and storage of your firearm at all times.
- Do not modify the holster in any way as this may compromise its safety features.

Instructions for Installation and Usage

1. Attaching the Holster:

- Place the soft loops over your belt.
- Adjust the holster to your preferred ride height and cant.
- Ensure the holster is securely attached to your belt before carrying.

2. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring that it is fully seated.
- Adjust the retention using the 360degree Velcro wrap for a secure fit.

3. Removing the Firearm:

- Ensure that you are in a safe environment.
- Grip the firearm firmly and draw it straight out of the holster.
- Always keep the firearm pointed in a safe direction during this process.

4. Maintenance:

- Clean the holster with a damp cloth as needed.
- Avoid using harsh chemicals that may damage the material.
- Regularly check for any wear or damage and replace if necessary.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling the materials where applicable.
- Ensure that any firearmrelated items are disposed of safely and securely.

Contact Information for Further Support

For questions or concerns regarding the Morrigan IWB Holster, please reach out to your retailer or the manufacturer directly. You can also check for updates or recalls on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your Morrigan IWB Holster. Thank you for prioritizing safety and responsible firearm handling.
