Safety Instruction Guide for AR15/M16 6.8 SPC Magazines

Introduction

Thank you for choosing the AR15/M16 6.8 SPC Magazines by CPRODUCTS. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your magazines. It is crucial to follow these instructions to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle magazines with care and keep them out of reach of children.
- Inspect magazines regularly for signs of damage or wear.
- Do not use magazines that show signs of corrosion, dents, or other defects.
- Store magazines in a cool, dry place to prevent deterioration.
- Follow all local laws and regulations regarding the use and possession of firearms and ammunition.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Do not attempt to modify or alter the magazine in any way.
- Only load the magazine with the appropriate type of ammunition (6.8 mm Remington SPC, 224 Valkyrie).
- Ensure that the magazine is fully seated in the firearm before firing.
- Be aware of your surroundings and ensure a safe backdrop when shooting.
- Do not exceed the magazine's capacity (28 rounds) to ensure reliable feeding.
- If a malfunction occurs, follow safe clearing procedures and do not attempt to fire again until the issue is resolved.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Verify that the magazine is securely attached by gently pulling on it.

2. Usage:

- Load the magazine by inserting cartridges into the top of the magazine, ensuring they are aligned properly.
- Avoid overloading the magazine; do not exceed the 28round capacity.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.

Disposal Instructions

- Dispose of magazines in accordance with local regulations.
- If the magazine is damaged or no longer usable, consider recycling the metal components where applicable.
- Do not dispose of magazines in general waste if they are still functional; instead, follow proper firearm

disposal guidelines.

Contact Information for Further Support

For additional information regarding safety, usage, or any concerns about your AR15/M16 6.8 SPC Magazines, please reach out to the designated EU contact point provided by the manufacturer.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 6.8 SPC Magazines. Always prioritize safety and responsible usage at all times.
