

SHOTGUN MAGAZINE TUBE PATCH JAG - TCS 12 GAUGE MAGAZINE TUBE PATCH JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

The TCS shotgun magazine tube patch jag is designed specifically for cleaning the shotgun magazine tube and is made with pride in the USA. These patch jags press the patch that has been treated with solvent or bore paste against the magazine tube to mechanically strip out debris that could inhibit your guns smooth feeding. These Jags are the only jag on the market designed to clean magazine tubes. "The proof is on the patch". In addition to cleaning, these jags are also used for oiling the magazine for storage. The TCS shotgun magazine tube patch jag fit all standard rods with 5/16x27 threads. 12 Gauge 3 O-rings 5/16x27 threads Anodized Aluminum construction Durable solvent resistant O-rings Fits all standard shotgun cleaning rods

SHOTGUN MAGAZINE TUBE PATCH JAG Safety Instruction Guide

Introduction

Thank you for choosing the TCS Shotgun Magazine Tube Patch Jag. This product is designed to help you clean and maintain your shotgun magazine tube effectively. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and cleaning equipment safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use only in a wellventilated area to avoid inhaling fumes from solvents or bore paste.
- Always wear protective eyewear when using solvents or bore paste.
- Avoid skin contact with solvents or bore paste. If contact occurs, wash the affected area with soap and water.
- Do not ingest any cleaning materials. Keep them away from food and drink.
- Store the product in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials: TCS Shotgun Magazine Tube Patch Jag, cleaning patches, solvent or bore paste, and a cleaning rod with 5/16x27 threads.
- Ensure your shotgun is unloaded and pointed in a safe direction.

2. Installation

- Attach the TCS Shotgun Magazine Tube Patch Jag to the cleaning rod by screwing it onto the 5/16x27 threads until secure.

3. Cleaning Process

- Apply solvent or bore paste to a cleaning patch.
- Insert the patch into the patch jag.
- Insert the jag into the shotgun magazine tube, and slowly pull it through to clean the interior surface.
- Repeat as necessary until the tube is clean.
- After cleaning, use a dry patch to remove any remaining solvent or bore paste.

4. Oiling the Magazine Tube

- After cleaning, apply a light coat of oil to the jag and repeat the process to oil the magazine tube for storage.

Disposal Instructions

- Dispose of used cleaning patches and any leftover solvents according to local regulations.
- Do not dispose of cleaning materials in regular household waste. Check for hazardous waste disposal options in your area.

Contact Information for Further Support

For any inquiries regarding safety or usage of the TCS Shotgun Magazine Tube Patch Jag, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective cleaning experience with your TCS Shotgun Magazine Tube Patch Jag. Thank you for prioritizing safety and maintenance in your firearm care.
