

# AR-15 UPPER RECEIVER & BUFFER TUBE JAG - TCS AR-15, M4, M16 UPPER RECIEVER AND BUFFER TUBE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

The TCS Ar-15, M16, M4, cleaning jag is made specifically for cleaning the Upper Receiver and Buffer Tube on these guns. It is made with pride in the USA. These patch jags press the patch that has been treated with solvent against the upper receiver or buffer tube to mechanically strip out debris that could inhibit your guns smooth functioning. These Jags are the only jag on the market designed to clean AR-15 Upper Receivers and Buffer Tubes. These patch jags work with the interrupted cuts in the AR-15 receiver and hold the patch during the scrubbing process. "The proof is on the patch". In addition to cleaning, this jag is also used for lubricating the Upper Receiver. Jag fits all standard rods with 5/16x27 threads. Anodized Aluminum Construction Durable solvent resistant O-rings Fits standard shotgun rod Correct diameter for AR-15 Buffer tubes and upper receivers 3 O-rings 5/16x27 threads

# Safety Instruction Guide for TCS AR15 Upper Receiver & Buffer Tube Jag

## Introduction

Thank you for choosing the TCS AR15 Upper Receiver & Buffer Tube Jag. This product is designed to assist in the cleaning and maintenance of your AR15, M4, and M16 firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the TCS AR15 Upper Receiver & Buffer Tube Jag by following these guidelines:
  - Always use the jag in accordance with the manufacturer's instructions.
  - Keep the product out of reach of children and vulnerable individuals.
  - Inspect the jag before each use for any signs of damage or wear.
  - Do not use the jag for purposes other than those intended.
  - Always wear appropriate eye protection when cleaning firearms.
  - Keep cleaning solvents and chemicals away from children and pets.
  - Dispose of used patches and solvents in accordance with local regulations.

## Specific Safety Precautions for Use

- When using the TCS AR15 Upper Receiver & Buffer Tube Jag:
  - Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
  - Do not apply excessive force when inserting or removing the jag from the firearm.
  - Avoid using the jag with incompatible cleaning rods or accessories.
  - Use only approved cleaning solvents that are compatible with the materials of your firearm and the jag.
  - Do not leave the jag unattended while in use.
  - Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Instructions for Installation and Usage

- To install and use the TCS AR15 Upper Receiver & Buffer Tube Jag, follow these steps:

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning materials, including patches and solvent.

### 2. Installation:

- Attach the jag to a standard cleaning rod with 5/16x27 threads.
- Ensure it is securely fastened before use.

### 3. Cleaning Process:

- Treat a cleaning patch with an appropriate solvent.
- Insert the patch into the jag.
- Carefully insert the jag into the upper receiver or buffer tube.
- Move the jag back and forth gently to scrub the surfaces.
- Remove the jag and patch carefully.

#### **4. Lubrication:**

- After cleaning, you may also use the jag to apply lubricant to the upper receiver.

#### **5. PostUse:**

- Clean the jag and store it in a safe place.

## **Disposal Instructions**

- Dispose of used cleaning patches and solvents in accordance with local environmental regulations.
- Do not dispose of them in regular household waste unless permitted.
- Follow local guidelines for hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any inquiries related to the safety and use of the TCS AR15 Upper Receiver & Buffer Tube Jag, please reach out to the designated EU contact point for assistance.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your TCS AR15 Upper Receiver & Buffer Tube Jag. Thank you for your commitment to firearm safety and maintenance.
