

M-LOK TAPE SWITCH MOUNTING PLATE FOR INSIGHT™ PEQ - MAGPUL M-LOK TAPE SWITCH MOUNTING PLATE FOR INSIGHT PEQ

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

The M-LOK® Tape Switch Mounting Plate is a mount designed to attach Insight PEQ pressure pads on M-LOK® compatible systems. It is molded of the same high quality polymer as other Magpul® products providing light weight with extremely rugged construction, and the M-LOK® recoil lugs and T-Nuts make for an extremely secure mounting system. A low profile design allows the user more mounting options without interfering with other equipment and it's rounded and beveled edges provides a snag free surface. Made in U.S.A.

MLOK Tape Switch Mounting Plate Safety Instructions

Introduction

Thank you for purchasing the MLOK® Tape Switch Mounting Plate for Insight™ PEQ. This product is designed to securely attach Insight PEQ pressure pads to MLOK® compatible systems. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the mounting plate for damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the mounting plate.
- Ensure that the mounting plate is securely fastened to prevent accidental detachment.
- Avoid using the product in extreme environmental conditions (e.g., excessive heat, moisture).
- Do not modify the mounting plate or its components in any way.
- Regularly check for loose screws or fittings and tighten as necessary.

Instructions for Installation and Usage

1. Installation Instructions

- Identify the MLOK® compatible surface on your equipment.
- Align the mounting plate with the MLOK® slots.
- Insert the TNuts into the slots from the back side of the mounting surface.
- Using the appropriate screws, secure the mounting plate to the MLOK® system.
- Ensure that the plate is firmly attached and does not move.

2. Usage Instructions

- Attach the Insight PEQ pressure pad to the mounting plate.
- Ensure that the pressure pad is securely fastened and functions correctly.
- Test the setup in a safe environment before operational use.
- Regularly check the attachment to ensure it remains secure during use.

Disposal Instructions

- Dispose of the MLOK® Tape Switch Mounting Plate in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for polymer materials, if available.
