

"HALO" CHARGING RING FOR S&W VICTORY - TANDEMKROSS

HALO" CHARGING RING FOR S&W VICTORY - BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slide Hardware](#) > [Slide Rackers](#)

This precision made, yet stylish, charging handle for the SW22 Victory is designed so SW22 Victory owners can charge their firearm quickly and with certainty. With the limited grip surface of the bolt ears, this can be a challenge for some shooters. This is great for competition shooters who may need to charge the pistol with haste or clear a jam. For junior and senior shooters, overcoming the hammer can also be a serious challenge. A unique ring pull design ensures fingers of any size can get a proper grip and utilize the extra leverage needed to make the job easy. Stop trying to grab those tiny grip ears and put a halo around your SW22 Victory today! Unique and stylish pull ring design Lightweight aircraft grade aluminum Sleek and contour matching

HALO Charging Ring Safety Instruction Guide

Introduction

Thank you for choosing the HALO Charging Ring for your Smith & Wesson Victory. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to use the HALO Charging Ring effectively and safely.

General Safety Guidelines

- Ensure that the HALO Charging Ring is compatible with your Smith & Wesson Victory model before use.
- Always handle firearms with care and follow standard safety practices when operating your firearm.
- Keep the HALO Charging Ring out of reach of children and unauthorized users.
- Inspect the charging ring regularly for any signs of wear or damage before each use.
- Do not use the HALO Charging Ring if it is damaged or malfunctioning.
- Report any unsafe conditions or incidents involving the HALO Charging Ring to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or using the HALO Charging Ring.
- Use the HALO Charging Ring only in a safe, controlled environment, away from people and animals.
- When charging your firearm, maintain a firm grip on the HALO Charging Ring to prevent slipping.
- Avoid placing your fingers in front of the firearm's muzzle while charging or clearing jams.
- Do not force the charging handle if it does not operate smoothly; check for obstructions or misalignment.
- Wear appropriate eye protection when using your firearm, as projectiles can ricochet or cause injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Align the HALO Charging Ring with the bolt ears of your Smith & Wesson Victory.
- Firmly press the charging ring onto the bolt ears until securely attached.

2. Usage:

- To charge the firearm, grasp the HALO Charging Ring with your fingers.
- Pull back firmly on the charging ring to engage the bolt.
- Release the charging ring to allow the bolt to return to its original position.
- If clearing a jam, ensure the firearm is pointed in a safe direction and follow the same steps to charge again.

Disposal Instructions

- Dispose of the HALO Charging Ring responsibly at a designated recycling facility or according to local regulations.
- Do not dispose of the charging ring in regular household waste if it is damaged or no longer functional.

Contact Information for Further Support

For any safety inquiries or assistance regarding the HALO Charging Ring, please refer to the manufacturer's

contact details provided with your product packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your HALO Charging Ring and Smith & Wesson Victory. Thank you for your commitment to safety.
