[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

The TANDEMKROSS "Double Kross" is a complete magazine body that houses two existing BX-1 10/22 magazines in one lightweight compact design. This product is perfect for competition shooters and plinkers alike that are looking to streamline their gear but still have the reliability of the factory BX-1 10 round magazine. When you use up the first 10 rounds, quickly flip it over for another full magazine. Also if you are sick of your black opaque magazines, get the clear "Double Kross" and now have the ability to count your rounds! Unlike other third party couplers, the "Double Kross" fits perfectly in any standard 10/22 magazine pouch, but your really fitting two instead of one! Use the TANDEMKROSS 10/22 magazine take-down tool to make the job quick and easy! ATTENTION! THIS PRODUCT REQUIRES YOU TO PROVIDE THE INTERNAL COMPONENTS FROM YOUR EXISTING 10/22 ROTARY MAGAZINES This product is the magazine housing ONLY. Buyer provides the internal components from existing 10/22 Rotary Magazines to complete the installation of the Kit. No couplers needed; one whole complete, body housing two of your existing magazines Lightweight, compact "doubled" 10 round magazines that fit in standard magazine pouches

Safety Instruction Guide for TANDEMKROSS "Double Kross" Magazine Body

Introduction

Thank you for choosing the TANDEMKROSS "Double Kross" Magazine Body. This product is designed to enhance your shooting experience by allowing you to use two BX1 10/22 magazines in a single, compact design. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the "Double Kross" Magazine Body by following these guidelines:
 - Always handle firearms and magazines with care.
 - Store the magazine body and internal components in a secure location away from children and unauthorized users.
 - Regularly inspect the magazine body for signs of damage or wear before use.
 - Always adhere to local laws and regulations regarding the use of firearms and accessories.
- Potential Hazards:
 - Improper installation may lead to malfunction.
 - Failure to secure the magazine may result in accidental discharge.
 - Using incompatible components can cause damage to the magazine body or firearm.

Specific Safety Precautions for Use

- Before using the "Double Kross" Magazine Body:
 - Ensure that you have the necessary internal components from your existing BX1 10/22 magazines.
 - Do not use the magazine body without the appropriate internal components.
 - Always confirm that the firearm is unloaded before installing or removing the magazine body.
 - Avoid using the magazine body in any manner that is not described in the instructions.
- During use:
 - Keep your fingers away from the trigger until you are ready to shoot.
 - Always point the firearm in a safe direction.
 - Be aware of your surroundings and ensure that no one is in your line of fire.
- After use:
 - Store the magazine body and firearm in a safe location.
 - Regularly clean and maintain the magazine body to ensure optimal performance.

Instructions for Installation and Usage

1. Gather Required Components:

- Ensure you have two BX1 10/22 magazines.
- Obtain a TANDEMKROSS 10/22 magazine takedown tool for easier assembly.

2. Disassemble Existing Magazines:

- Carefully disassemble your existing BX1 10/22 magazines to retrieve the internal components.
- Follow the manufacturer's instructions for disassembly to avoid damaging the magazines.

3. Install Components into the "Double Kross" Magazine Body:

- Insert the internal components from your existing BX1 magazines into the "Double Kross" Magazine Body.
- Ensure that all components are securely placed and properly aligned.

4. Secure the Magazine Body:

- Once the internal components are in place, ensure that the magazine body is closed securely.
- Use the TANDEMKROSS takedown tool if needed to aid in the assembly process.

5. Using the Magazine:

- Load the magazine with ammunition according to the manufacturer's recommendations.
- When the first 10 rounds are expended, flip the magazine over to access the second set of rounds.

6. Regular Maintenance:

- Periodically check the magazine body for any signs of wear or damage.
- Clean the magazine body regularly to maintain its functionality.

Disposal Instructions

- Dispose of the "Double Kross" Magazine Body in accordance with local regulations.
- If the product is damaged or no longer in use, ensure that it is disposed of safely to prevent any potential hazards.
- Do not dispose of the magazine body in regular household waste if it contains any ammunition or firearm components.
