The Browning Buckmark is one of the most popular 22lr pistols in the world. While it performs fantastic right out of the box, one of the major complaints is the lack of grip surface for the bolt. This precision made, yet stylish, charging handle for the Browning Buckmark is designed so Buckmark owners can charge their firearm quickly and with certainty. A unique ring pull design ensures fingers of any size can get a proper grip. This precision bolt puller is perfect for serious competition shooters, junior shooters and even arthritic hands. Stop trying to grab those tiny grip ears and put a halo around your Buckmark today. NOTE: There are quite a few variety of bolts for the Browning Buck Mark. This will fit 2014 production and later slides only. Unique and stylish pull ring design Lightweight aircraft grade aluminum Sleek and contour matching

Safety Instruction Guide for HALO Charging Ring for Browning Buckmark

Introduction

Thank you for choosing the HALO Charging Ring for your Browning Buckmark. This product is designed to enhance your shooting experience by providing a reliable and stylish way to charge your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the charging ring is securely attached before use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging ring for any signs of wear or damage.
- Do not modify the charging ring in any way.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your Browning Buckmark is unloaded before installing or using the charging ring.
- Use the charging ring only for its intended purpose; do not use it with other firearms.
- Avoid using excessive force when pulling the ring, as this may cause damage.
- If you experience difficulty using the charging ring, stop and consult with a qualified gunsmith or firearms expert.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the Browning Buckmark is unloaded.
- Align the charging ring with the bolt puller area of the firearm.
- Gently press the charging ring into place until it is securely attached.
- Verify that the charging ring is firmly in position before use.

2. Usage:

- To charge your Browning Buckmark, grasp the charging ring with your fingers.
- Pull the ring back smoothly and steadily to operate the bolt.
- Release the ring gently after charging to ensure proper function.

Disposal Instructions

- Dispose of the charging ring in accordance with local regulations regarding aluminum products.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, take it to a designated recycling center.

Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please reach out to the appropriate EU-based

contact point as indicated on the product packaging or user manual.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your HALO Charging Ring and Browning Buckmark. Always prioritize safety and stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important guidelines.
