## Introduction

Thank you for choosing the WINGMAN +5 Magazine Bumper for Walther P22. This product is designed to enhance your magazine's capacity and improve handling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and related accessories.
- This product is intended for use with the Walther P22 model only. Do not use it with any other firearm.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The installation of the bumper will disable the last round hold open feature of the magazine. Be aware of this change when using the firearm.
- Ensure that the magazine is empty before installing or removing the bumper.
- When loading or unloading the magazine, do so in a safe environment, away from others.
- Use caution when handling the firearm after installing the bumper to avoid accidental discharge.
- Always follow the manufacturer's guidelines for the safe operation of your firearm.

## Instructions for Installation and Usage

### Installation

1. **Empty the Magazine:** Before beginning installation, ensure that the magazine is completely empty.
2. **Remove the Existing Base Plate:** Carefully remove the existing base plate from the magazine.
3. **Install the WINGMAN Bumper:**
  - Align the bumper with the magazine base.
  - Press firmly until the bumper snaps into place.
4. **Check the Installation:** Ensure the bumper is securely attached and does not move when pulled.

### Usage

- Load the magazine with the desired number of rounds, keeping in mind that the bumper allows for five additional rounds.
- Insert the magazine into the firearm, ensuring it is seated securely.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.
- Check for any specific disposal guidelines from local authorities regarding firearm accessories.
