

# 1911 BEAVERTAIL GRIP SAFETY - HARRISON DESIGN & CONSULTING EXTREME SERVICE BEAVERTAIL GRIP SAFETY BLUED

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Harrison Design Extreme Service Beavertail Grip Safeties are CNC machined from bar stock, either stainless or carbon steel and are engineered to allow the craftsman to create that "hairline" joint beavertail installation that everyone wants. Dimensions are left oversize in the critical places, such as in the width of the center lug of the beavertail that fits between the frame tangs, eliminating the need to weld in between the frame tangs in the majority of cases. The side to side dimension of the 'tail' is also left oversize to allow fitting flush with the flats of the frame. The fitting radii are machined undersize at a .240" radius to allow enough material for proper fitting of the beavertail to frames that have already been machined for a .250" beavertail by the factory and left a bit looser than desired. The blocking arm comes with the "Take Down" notch already cut for you.

## Attributes

- Name: [HARRISON DESIGN & CONSULTING EXTREME SERVICE BEAVERTAIL GRIP SAFETY BLUED](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100020926
- Mfr. No.: HD-481
- Finish: Black

# Safety Instruction Guide for 1911 Beavertail Grip Safety

## Introduction

Thank you for choosing the 1911 Beavertail Grip Safety designed by Harrison Design & Consulting. This product is engineered to enhance the safety and performance of your firearm. It is important to read and understand this safety instruction guide to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet EU safety standards. Use it only as intended to avoid risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Be aware that updates on unsafe products are provided through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction or injury.
  - Using the product with incompatible firearm models can pose safety risks.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before installation or maintenance.
  - Do not attempt to modify the beavertail grip safety beyond its intended design.
  - Regularly inspect the grip safety for any signs of wear or damage.
- **Audience Specific Warnings:**
  - This product is intended for adult users only. Ensure that only qualified individuals handle firearm modifications.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your firearm is completely unloaded and safe to handle.
  2. Remove the existing grip safety according to your firearm's manual.
  3. Align the Harrison Design Beavertail Grip Safety with the frame tangs of your firearm.
  4. Carefully fit the grip safety, ensuring it is flush with the frame.
  5. Use appropriate tools to secure the grip safety in place, following the manufacturer's specifications.
  6. Test the functionality of the grip safety before using the firearm.
- **Usage:**

- Always check that the grip safety is functioning correctly before each use.
- Use the firearm according to the manufacturer's guidelines, ensuring the grip safety is engaged during operation.
- Regularly maintain the grip safety and surrounding components to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grip safety is damaged or no longer in use, follow local guidelines for the disposal of firearm components. Ensure that it is rendered unusable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Beavertail Grip Safety, please refer to the manufacturer's website or contact your retailer for assistance.

By following these safety instructions, you can ensure the safe and effective use of your 1911 Beavertail Grip Safety. Always prioritize safety and compliance with applicable regulations to protect yourself and others.
