

# AR-15 CMR HANDGUARD MLOK - CENTURION ARMS CMR 13" MLOK FREE FLOAT HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The patented CMR rail system is a lightweight, rugged, one piece, free float hand guard that when installed gives the upper a continuous 12 o'clock rail. The CMR system clamps to a proprietary barrel nut that can be installed on 5.56/.223 based AR platform systems. It was designed with the top 1913 rail for mounting the most common accessories, yet does away with the need for 1913 rail at the 3, 6, and 9 o'clock positions. Here other accessories can be directly mounted to it with a dedicated, simple, light-weight, mount. However it does allow for 1913 rail to be added, if needed, for some less common accessories. Additionally there are built in anti-rotation QD sling swivels in 4 positions. The main objective was to have a smaller, lighter weight, more ergonomic hand guard that maintains or enhances functionality for the end user.

## Attributes

- Name: [CENTURION ARMS CMR 13" MLOK FREE FLOAT HANDGUARD](#)
- Manufacturer: [CENTURION ARMS](#)
- Product no.: 100020944
- Mfr. No.: ML1513
- Colour: Black
- Length: 13
- Material: Aluminum
- Style: Free Float
- Weapon type: AR-15
- Delivery weight: 0.417kg
- Shipping height: 76mm
- Shipping width: 76mm
- Shipping length: 394mm
- UPC: 855286007089

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15 CMR Handguard MLOK

## Introduction

Thank you for choosing the AR15 CMR Handguard MLOK by Centurion Arms. This document provides essential safety guidelines and instructions for the proper use, installation, and disposal of this product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions provided. This product is designed for nonfood use and adheres to safety standards.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. Please stay informed about any potential recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any recalls or safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the handguard is installed correctly to avoid any hazards during use.
- **Use Appropriate Tools:** Use only the recommended tools for installation and maintenance to prevent damage or injury.
- **Regular Inspection:** Frequently inspect the handguard for any signs of wear or damage. Replace if necessary.
- **Avoid Overloading:** Do not exceed the recommended weight limit for accessories mounted on the handguard.
- **Proper Handling:** Handle the handguard with care to avoid injury from sharp edges or components.
- **Sling Swivel Use:** Ensure that the QD sling swivels are securely attached before use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate Allen keys.
- Ensure that the firearm is unloaded and safe to handle.

### 2. Installation Steps:

- Remove the existing handguard from your AR15 platform by unscrewing the barrel nut.
- Install the proprietary barrel nut that comes with the CMR system.
- Align the CMR handguard with the barrel nut and slide it into place.
- Secure the handguard by tightening the screws to the recommended torque specifications (refer to the product manual for specific torque values).
- If desired, attach additional 1913 rail sections to the handguard for mounting accessories.

### 3. Usage Instructions:

- Before each use, inspect the handguard for any signs of damage or wear.
- Attach accessories to the handguard as needed, ensuring that they are securely mounted.
- Use the builtin QD sling swivels for attaching slings, ensuring they are properly locked in place.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the handguard in accordance with local regulations for metal products.
- **Recycling:** Consider recycling the aluminum material where facilities are available.
- **Hazardous Waste:** Do not dispose of the handguard in regular trash if it is damaged or contains any hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated contact point provided by the manufacturer.
