

AR-15 DOLOS TAKEDOWN KIT - PANTHEON ARMS AR-15 DOLOS TAKEDOWN KIT

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Barrel Nuts](#)

The DOLOS Takedown Kit allows for quick separation of the handguard & barrel from the upper receiver, resulting in an extremely compact & convenient package. Kits simply attaches to your pre-existing AR-15 barrel and is compatible with standard YHM free float handguards (Diamond, Tactical, etc). System works with standard AR-15 gas tubes and gas blocks. Once installed, user simply has to retract the bolt, insert the handguard, barrel & kit onto the upper receiver, turn the system 1/3 of a turn and you have an assembled upper receiver. Kit works great in conjunction with a LAW Tactical Folder for an extremely compact disassembled firearm. Comes with a 2ml tube of Turbo-Lock

AR15 DOLOS Takedown Kit Safety Instructions

Introduction

Thank you for choosing the AR15 DOLOS Takedown Kit by PANTHEON ARMS. This product is designed to provide a compact and convenient solution for separating the handguard and barrel from the upper receiver of your AR15. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or using the DOLOS Takedown Kit.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Inspect the kit for any damage before use. Do not use if damaged.
- Use the kit only with compatible AR15 components as specified in this guide.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Using incompatible components can compromise safety and performance.

- **Avoiding Hazards:**

- Always read and understand the installation instructions before proceeding.
- Ensure all components are securely attached before using the firearm.
- Use appropriate protective gear, such as safety glasses, when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Retract the bolt on your AR15.
- Attach the DOLOS Takedown Kit to your preexisting AR15 barrel.
- Ensure compatibility with standard YHM free float handguards.
- Insert the handguard, barrel, and kit onto the upper receiver.
- Turn the system 1/3 of a turn to secure it in place.
- Verify that all components are tightly secured before proceeding.

2. Usage:

- Always check that the firearm is unloaded before any handling.
- When using the firearm, ensure that the DOLOS Takedown Kit is properly installed and secure.
- If using in conjunction with a LAW Tactical Folder, ensure proper alignment and secure attachment.

Disposal Instructions

- Dispose of the DOLOS Takedown Kit and any associated materials in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check for local recycling programs that accept

firearm components.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety is our priority.
