

AR-15 PROMETHEUS TAKEDOWN KIT - PANTHEON ARMS AR-15 PROMETHEUS TAKEDOWN KIT

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Prometheus Takedown Kit allows for quick separation of the handguard & barrel from the upper receiver, resulting in an extremely compact & convenient package. Kits simply attaches to your pre-existing AR-15 barrel and includes 7" YHM style handguard. Kit is compatible with standard YHM free float handguards (Diamond, Tactical, etc). System works with standard AR-15 gas tubes and gas blocks. Once installed, user simply has to retract the bolt, insert the handguard, barrel & kit onto the upper receiver, turn the system 1/3 of a turn and you have an assembled upper receiver. Kit works great in conjunction with a LAW Tactical Folder for an extremely compact disassembled firearm.

AR15 Prometheus Takedown Kit Safety Instruction Guide

Introduction

Thank you for purchasing the AR15 Prometheus Takedown Kit by Pantheon Arms. This guide provides essential safety information and instructions to ensure the safe and effective use of your new product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction during installation and use.
- Keep the firearm out of reach of children and unauthorized users.
- Inspect the kit and firearm for any damage or wear before each use.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Use only compatible components as specified in this guide.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may result in malfunction or injury.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installing the kit.
 - Do not force components together; ensure they fit properly.
 - Always verify that the handguard and barrel are securely attached before use.
 - Use protective eyewear when handling firearms.
 - Do not attempt to modify the kit or firearm beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather all components of the Prometheus Takedown Kit.

2. Installation:

- Retract the bolt of the upper receiver.
- Insert the handguard and barrel into the upper receiver.
- Align the components and ensure they fit securely.
- Turn the system 1/3 of a turn to lock the components in place.

3. Usage:

- Once installed, the kit allows for quick separation of the handguard and barrel.
- For disassembly, simply reverse the installation process.
- Always check that the system is secure before firing.

Disposal Instructions

- Dispose of any packaging materials responsibly.
- If the kit is damaged or no longer usable, follow local regulations for disposing of firearm accessories.

- Do not dispose of the kit in regular household waste.

Contact Information for Further Support

For any inquiries or additional support regarding the AR15 Prometheus Takedown Kit, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and responsibility in your firearm practices. Enjoy your new AR15 Prometheus Takedown Kit!
