- Regularly inspect the holster for wear and tear. Discontinue use if any damage is observed.

- Always follow local laws and regulations regarding concealed carry and firearm storage.

Specific Safety Precautions for Use

- Ensure the holster fits securely on your belt, which should not exceed 1 3/4" in width.
- Avoid exposing the holster to extreme temperatures or moisture, as this may affect the leather material.
- When drawing your firearm, ensure that your finger is off the trigger until you are ready to shoot.

- If you experience difficulty in drawing your firearm, check the holster for proper fit and retention. Adjust as necessary.

Instructions for Installation and Usage

2. Usage:

- To insert the firearm, ensure it is unloaded. Gently place the firearm into the holster, allowing it to settle into place.
- To draw the firearm, grip the holster firmly with your nondominant hand, and with your dominant hand, draw the firearm smoothly while keeping your finger off the trigger.
- After use, return the firearm to the holster only when it is confirmed to be unloaded.
