

COP 3 SLOT HOLSTERS - GALCO INTERNATIONAL COP 3 SLOT S&W M&P-BLACK-RIGHT HAND

[Home](#)

Galco's Cop 3 Slot™ holster is precision-molded and allows comfortable carry in both strong side and crossdraw positions. A tension screw adjustment near the trigger guard facilitates maximum firearm retention, while the rear sight is protected by a wide safety strap and reinforced thumb break. The low-cut design allows for easier, faster clearance of the firearm from the leather. The Cop 3 Slot is constructed of premium cowhide and fits belts up to 1 3/4".

COP 3 SLOT HOLSTERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the COP 3 Slot Holster by Galco International. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before placing it in the holster.
- Keep the holster away from children and unauthorized persons.
- Regularly inspect the holster for any signs of wear or damage.
- Do not use the holster if it is damaged or shows signs of excessive wear.
- Ensure that the holster is compatible with your specific firearm model.
- Follow all local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- Ensure that the tension screw is properly adjusted to secure your firearm.
- Always use the safety strap and thumb break to enhance retention.
- When drawing the firearm, ensure that the area is clear of obstructions and people.
- Practice drawing and reholstering your firearm in a safe environment.
- Avoid placing the holster in locations where it may be subjected to extreme temperatures or moisture.
- Be aware of your surroundings and ensure that your firearm is concealed when required.

Instructions for Installation and Usage

1. Fitting the Holster:

- Slide the holster onto your belt, ensuring it is positioned on your strong side (right hand for righthanded users).
- Adjust the holster to your desired cant (angle) for comfort and accessibility.

2. Adjusting the Tension:

- Use the tension screw located near the trigger guard to adjust the fit of the firearm in the holster.
- Turn the screw clockwise to increase retention and counterclockwise to decrease retention.

3. Securing the Firearm:

- Place your unloaded firearm into the holster.
- Ensure the safety strap is secured over the rear sight, and the thumb break is properly fastened.

4. Drawing the Firearm:

- To draw the firearm, unsnap the safety strap and release the thumb break.
- Grip the firearm firmly and pull it straight out of the holster.

5. Reholstering:

- Always ensure the firearm is pointed in a safe direction when reholstering.
- Carefully guide the firearm back into the holster, ensuring the safety strap is fastened after

reholstering.

Disposal Instructions

- Dispose of the holster responsibly if it becomes damaged beyond use.
- Follow local regulations for the disposal of leather products.
- Do not incinerate or expose the holster to open flames.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the contact information provided by the manufacturer.

By following these guidelines, you can ensure the safe use of your COP 3 Slot Holster. Always prioritize safety and be mindful of the responsibilities that come with carrying a firearm. Thank you for your attention to these important safety instructions.
