

HALO HOLSTERS - GALCO INTERNATIONAL HALO S&W M&P 9/40 W/RAIL-BLACK-RIGHT HAND

[Home](#)

Take back the night with Galco's Halo™! Designed to comfortably carry a pistol equipped with a weaponlight, the Halo remains compact enough for realistic concealment of a light-equipped pistol. The Halo is constructed of premium saddle leather, fits belts up to 1 3/4" wide, and is made for semiautomatic pistols and is available in right hand designs, in black. Fits pistols equipped with the following weaponlights: Surefire X200 and X300, Streamlight TLR-1 and TLR-3, Insights M3, Viridian C5L and Gen 2 X5L, and Crimson Trace Lightguard. Also accommodates the following rail-mounted lasers: LaserMax Genesis and Uni-Max Micro.

Safety Instruction Guide for HALO HOLSTERS GALCO INTERNATIONAL HALO S&W M&P 9/40 W/RAILBLACKRIGHT HAND

Introduction

Thank you for choosing the HALO Holster by Galco International. This product is designed to provide a secure and comfortable way to carry your Smith & Wesson M&P 9/40 with a railmounted weapon light. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Do not use the holster if it shows signs of damage or wear.
- Keep the holster out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that your firearm is safely secured at all times.
- Regularly check the holster for any foreign objects or debris that may interfere with its function.

Specific Safety Precautions for Use

- Ensure that the weapon light is securely attached to the firearm before holstering.
- Do not attempt to draw your firearm from the holster while seated or in a confined space.
- Avoid exposing the holster to extreme temperatures or harsh chemicals.
- Always use the holster in accordance with local laws and regulations regarding firearm carry.

Instructions for Installation and Usage

1. Choosing the Right Belt:

- Use a belt that is up to 1 3/4 inches wide to ensure a proper fit.
- Make sure the belt is sturdy enough to support the weight of the holstered firearm.

2. Holstering the Firearm:

- Ensure the firearm is unloaded.
- Attach the weapon light securely to the firearm.
- Gently slide the firearm into the holster, ensuring that the trigger guard is fully covered.

3. Wearing the Holster:

- Position the holster on your right side, ensuring it is comfortably situated on your hip.
- Adjust the holster as necessary for comfort and accessibility.
- Ensure that the holster does not interfere with movement or clothing.

4. Drawing the Firearm:

- Stand in a stable position with a clear area around you.
- Grip the firearm firmly and draw it smoothly from the holster.
- Keep the muzzle pointed in a safe direction at all times.

Disposal Instructions

- Dispose of the holster in accordance with local waste management regulations.
- If the holster is damaged or no longer in use, do not leave it in a location where it could be accessed by children or unauthorized users.
- Consider recycling the leather material if possible.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the official Galco International website or your point of purchase for contact information.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our priority.
