## **Top Quality, Holster Systems For Concealed Carry; Handmade In The U.S.A.**

World famous, expertly crafted holsters and accessories provide superior fit, function and concealability for law enforcement, security and personal protection. Cut from the top 2% of the finest, "Number One" grade, U.S. vegetable tanned steer hides, then hand-molded to the specific firearm for a perfect fit. Horsehide models are constructed in the same, painstaking manner. Galco's naturally luminous, tan color is achieved with four to six, hand-rubbed applications of specially formulated oil. Havana brown is a deep, rich burgundy color produced through careful application of penetrating, aniline dyes that show the natural beauty of the leather. A final, transparent, protective coating repels dirt and wards off moisture and perspiration. High-ride, open muzzle design fully covers the triggerguard and protects the sights. Retention strap helps prevent loss of weapon during vigorous activities. Low cut grip access ensures fast presentation. Body-side contour gives extra comfort on the hip. Reinforced thumb break and double-stitched construction.

# F.L.E.T.C.H. Belt Holster Safety Instructions

## Introduction

Thank you for choosing the F.L.E.T.C.H. Belt Holster by Galco International. This safety instruction guide is designed to help you understand how to use this product safely and effectively. Please read this guide carefully before using the holster to ensure your safety and the safety of others.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before placing it in the holster.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage. Do not use if damaged.
- Always use the holster in accordance with local laws and regulations regarding firearm carry and use.
- Be aware of your surroundings and ensure that the holster does not obstruct your movements.

## Specific Safety Precautions for Use

- **Trigger Guard Protection:** The holster covers the trigger guard. Ensure that it remains covered at all times when the firearm is holstered.
- **Retention Strap:** Always use the retention strap to secure the firearm in the holster during vigorous activities. This helps prevent accidental loss of the weapon.
- **Low Cut Grip Access:** Practice drawing the firearm from the holster in a safe environment to ensure quick access when needed.
- **Comfort on the Hip:** Adjust the holster position for optimal comfort. A wellplaced holster will aid in safe and quick access.
- **Moisture Protection:** Be mindful of moisture exposure. The holster has a protective coating, but prolonged exposure to moisture can damage the leather.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the holster onto your belt, ensuring that it fits securely.
- Make sure the holster is positioned for comfortable access based on your dominant hand.
- Ensure the holster is not too tight or too loose to allow for easy placement and removal.

### 2. Usage:

- Always check that the firearm is unloaded before holstering.
- To holster the firearm, slide it into the holster smoothly, ensuring it is seated correctly.
- Secure the retention strap over the firearm to prevent it from falling out during movement.
- When drawing the firearm, ensure that your finger is off the trigger until you are ready to shoot.

## Disposal Instructions

When disposing of the holster, follow these guidelines:

- If the holster is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized access.
- Consider recycling the materials if possible. Check with local waste management for guidelines on leather disposal.
- Always ensure that any firearmrelated materials are disposed of safely and responsibly.
