

# STINGER HOLSTERS - GALCO INTERNATIONAL STINGER RUGER® LCP® W/LASERMAC-BLACK-RIGHT HAND

[Home](#)

Galco's Stinger™ belt holster was designed with the KISS principle in mind. Made to carry a small semiautomatic pistol or double-action revolver behind the strongside hip, the Stinger's open top and forward cant allow a fast, easy drawstroke. Safety, security and stealth are all addressed with a covered trigger guard, deep molding and a tunnel-style belt loop that takes up little belt space compared to a pancake-type holster. The Stinger is constructed of premium saddle leather, fits belts up to 1 1/2" wide.

## Attributes

# **STINGER HOLSTERS GALCO INTERNATIONAL**

## **STINGER RUGER® LCP® W/LASERMAC BLACK**

### **RIGHT HAND Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Galco Stinger™ belt holster designed specifically for the Ruger® LCP® with Lasermac. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your holster. Please read and follow these instructions carefully to maximize your safety and the effectiveness of your holster.

## **General Safety Guidelines**

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Use the holster only for its intended purpose, which is to securely carry your Ruger® LCP® with Lasermac.
- Regularly inspect your holster for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Keep the holster out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that your firearm is securely holstered before engaging in any activities that may require movement.

## **Specific Safety Precautions for Use**

- Ensure that the trigger guard is fully covered when the firearm is holstered.
- Always use the holster with a proper belt that fits securely and comfortably to prevent accidental dislodging.
- Avoid exposing the holster to extreme temperatures or moisture, which may affect the leather and its performance.
- When drawing your firearm, do so in a controlled and deliberate manner to avoid accidental discharge.
- If you are unfamiliar with firearm handling, seek training from a qualified instructor before using the holster.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Slide the holster onto your belt through the tunnelstyle belt loop.
- Ensure that the holster is positioned on your strongside hip for optimal accessibility.
- Adjust the cant of the holster for a comfortable draw angle.

### **2. Usage:**

- Before inserting your firearm, confirm that it is unloaded.
- Carefully insert the firearm into the holster, ensuring that the trigger guard is fully covered.
- Check that the firearm is secure in the holster and that it does not move or shift.
- When drawing the firearm, use a smooth and steady motion to remove it from the holster.

## **Disposal Instructions**

- If you need to dispose of the holster, do so in accordance with local regulations regarding leather products.

- Ensure that the holster is disposed of in a manner that prevents it from being reused improperly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Galco Stinger™ belt holster, please refer to the manufacturer's contact information provided with your product. Remember to report any unsafe products or incidents to the appropriate authorities.

By following these safety instructions, you can help ensure a safe and effective experience with your Galco Stinger™ holster. Thank you for your attention to safety.
