

# STRYKER HOLSTERS - GALCO INTERNATIONAL STRYKER SIG SAUER P226-BLACK-RIGHT HAND

[Home](#)

Galco's new Stryker™ is ready to fight! Kydex® construction makes it very fast on the draw and virtually maintenance free. Twin adjustable tension units allow the user to customize the draw feel to their unique preferences, while a neutral cant offers the fastest wrist-locked drawing motion. The belt slot attachment easily adjusts to fit belts up to 1 3/4", thus enhancing the Stryker's versatility.

# Safety Instruction Guide for Stryker Holsters by Galco International

## Introduction

Thank you for choosing the Stryker Holster by Galco International. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster. Please read this manual carefully before use to understand how to operate the product safely and effectively.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model, specifically the Sig Sauer P226.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Avoid exposing the holster to extreme temperatures or harsh chemicals.
- Store the holster in a safe location when not in use.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that your firearm fits securely in the holster to prevent accidental discharges.
- **Draw Technique:** Practice drawing your firearm from the holster in a safe environment to become familiar with the motion.
- **Adjustable Tension:** Utilize the twin adjustable tension units to customize the draw feel according to your preferences.
- **Belt Compatibility:** Ensure your belt is suitable for the holster and is securely fastened to prevent slippage during use.
- **Neutral Cant:** Be aware that the neutral cant is designed for a wristlocked drawing motion; practice this technique for safety and efficiency.
- **Avoid Obstructions:** Ensure that the holster is not obstructed by clothing or other items that could hinder the draw.

## Instructions for Installation and Usage

### 1. Attaching the Holster:

- Slide the belt slot attachment onto your belt, ensuring it fits snugly.
- Adjust the attachment to fit belts up to 1 3/4 inches wide.

### 2. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring it fits securely.

### 3. Drawing the Firearm:

- Stand in a stable position with your feet shoulderwidth apart.
- Grasp the grip of the firearm firmly.
- With a swift motion, draw the firearm while maintaining control and awareness of your surroundings.

### 4. Storing the Holster:

- When not in use, store the holster in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the holster according to local regulations for plastic materials.
- If the holster is damaged beyond use, ensure it is disposed of in a manner that prevents it from being used improperly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to the designated contact point provided with your product. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of your Stryker Holster. Stay informed about any product recalls or safety alerts by checking the EU's Safety Gate platform regularly. Thank you for prioritizing safety!
