# WRAITH HOLSTERS Safety Instructions

## Introduction

Thank you for choosing the Wraith Holster by Galco International. This product is designed for safe and effective use with your Smith & Wesson M&P 9/40. Please read this safety instruction guide carefully to ensure proper handling and maintenance of the holster.

## General Safety Guidelines

- Ensure the holster is compatible with your firearm model before use.
- Always keep the holster clean and free from obstructions.
- Store the holster in a safe place, away from children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before inserting it into the holster.
- Use the thumb break retention strap correctly to secure the firearm while allowing for a quick draw.
- Avoid drawing the firearm in crowded or unsafe environments to prevent accidents.
- Do not modify the holster in any way that may compromise its safety or functionality.
- When wearing the holster, ensure it is securely attached to your belt to prevent accidental dislodging.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the holster onto your belt, ensuring it is positioned comfortably on your left side for lefthand use.
- Adjust the belt channel to achieve a mild buttforward cant for optimal concealment and comfort.

### 2. Usage:

- To insert your firearm, ensure the thumb break retention strap is unfastened.
- Gently slide the firearm into the holster, ensuring it is fully seated and secure.
- To draw the firearm, use your thumb to disengage the retention strap quickly, then draw the firearm smoothly from the holster.
- After use, return the firearm to the holster using one hand to guide it back into place while maintaining control of the firearm.

## Disposal Instructions

- Dispose of the holster responsibly in accordance with local regulations.
- If the holster is damaged beyond safe use, consider recycling the materials where possible.

## Contact Information for Further Support
