# PLE Paddle Holsters Safety Instruction Guide

## Introduction

Thank you for choosing the PLE Paddle Holster by Galco International for your Sig Sauer P226. This guide provides important safety instructions, installation procedures, and usage tips to ensure your holster is used safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model before use.
- Always check the holster for any signs of wear or damage before each use.
- Keep the holster and firearm away from children and unauthorized users.
- Always follow the manufacturer's instructions for safe handling and storage of firearms.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Thumb Break Retention Strap:** Ensure that the thumb break strap is properly secured before use to prevent accidental release of the firearm.
- **Belt Compatibility:** The PLE Paddle is designed to fit belts up to 1 3/4". Ensure your belt meets this specification for proper attachment.
- **Draw Practice:** Practice drawing your firearm from the holster in a safe environment to become familiar with the mechanism and ensure a swift and safe draw when necessary.
- **Avoid Obstructions:** Ensure that clothing or other items do not obstruct the holster or the firearm during use.
- **Regular Inspection:** Regularly inspect the holster for any signs of wear, including the paddle and retention strap. Replace if necessary.

## Instructions for Installation and Usage

### 1. Attaching the Holster:

- Slide the paddle of the holster onto your belt. Ensure that it is positioned comfortably on your hip.
- Adjust the angle of the holster to your preference, ensuring that it allows for a smooth draw.

### 2. Securing the Holster:

- Once the holster is in place, check that it is securely attached and does not slide or shift.
- Ensure that the thumb break retention strap is properly fastened.

### 3. Using the Holster:

- When drawing your firearm, use your thumb to disengage the retention strap while simultaneously gripping the firearm.
- Practice drawing the firearm in a safe and controlled environment to improve your proficiency.

### 4. Removing the Holster:

- To remove the holster, simply slide the paddle off your belt. Ensure that the firearm is not in the holster during this process.

## **Disposal Instructions**

- Dispose of the holster responsibly in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the holster with household waste.

## **Contact Information for Further Support**

For any inquiries regarding the safety, usage, or maintenance of the PLE Paddle Holster, please contact the manufacturer or your local retailer for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety with your PLE Paddle Holster. Your responsible use contributes to the overall safety of yourself and those around you.
